God Alone Is the Truth and the Way Frederick Mahan, 2008-07 Many people are unsure about how to live righteously in today's uncertain world where morals are rapidly declining *God Alone Is the Truth and the Way* is a step by step guidebook that will reveal the cause and effect of the lies we believe teach you how to take the blinders off change your way of life and live with a sense of peace America and Americans are making the same fatal flaws that signaled the demise of Rome and the Romans and other once prominent Western civilizations Author Frederick Mahan attributes affluence prejudice and the seven deadly sins to the deterioration He analyzes the fall of other Western civilizations and compares the phenomena with what is happening in America today Mahan then calls on insight from history religion literature and philosophy He cites gifted contributors who share the truths about love marriage democracy and freedom and shares personal accounts of his own spiritual failures and successes He ultimately invites and motivates you to explore a relationship with God personified in Jesus Christ This ultimate survivor's manual will show you the way to live in an ever changing and faithless world with a sense of direction and purpose and a genuine peace of mind

The Way of the Ant Ikechi Ahamefule Nwogu (KSC), 2016-08-26 Man as a creature is superior to other lesser elements of our ecosystem Superior in wisdom mannerism conduct and lifestyle and should of course instruct all nature in terms of leadership and dominion It becomes amazing however that ALMIGHTY MAN would be asked to stoop so low as to GO TO THE ANT CONSIDER HER WAYS AND BE WISE Proverbs 6:6 This rather imposing statement clearly spotlights the ant as tiny and frail as it is as an unusual agent of wisdom an embodiment of strength and a master of leadership coordination Our study of the ant presents some strong lessons to us on the preferred approach to life and judgement of issues in a way that will inspire the much needed change in our own thought process and overall view of life We will learn from the ant that life is about determination and the will to push through against all odds until we succeed We will acquire the never give up spirit of the ant we will cast less blames on our poor states of being our nation background and ecology for our present outcomes in life and we will develop a strong determination from within to try again and never retreat or surrender until we win *The Way of the ANT* is a book on National Transformation by mindset reengineering It is a book that will get us to see things from a standpoint of personal responsibility and collective positive delivery towards communal rebirth and social emancipation We each

constitute a tiny part of our larger society and each individual must endeavour to play his her role and well enough to create the appropriate societal linkage that will eventually constitute grounds for national growth and global enhancement We are important We must create value We should not just exist but rather live in such a way that our own endpoints in life will stir up sufficient motivation in the man next door to effectively champion his own course to natural excellence This is the way of the ant **China's Millions** ,1902 **The Beverage News** ,1926 *Modern Christianity Corrupted* Bob

Klingenberg,Robert Klingenberg,2012-06-08 The roots of an insidious Religious Humanism have for some time now steadily been growing deeper and deeper and taking a firm hold in the modern Christian Church in America and across the world The lethality of this rooting is that Religious Humanism is filled with false teachings which are historically known as heresies

Be Responsible Amadi Arua,2012-11 Be Responsible is carefully written in simple English language to enable both students and pupils cultivate the right attitude and behavior to one s life and study while growing up as a way of focusing on self actualization It is an exhilarating tale that reveals the unfortunate realities of our time It is about prostitution in the school teaching and learning the basic principles of food and nutrition Every child is therefore encouraged to have a copy of this book which contains such virtues as motivation concentration humility hard work and obedience as tools for success for every child And others such as greed envy disobedience bad peer group influence illegal child adoption abortion unsafe sex and discouragement as what puts a child to the wrong road and destination **Back Numbers Wilmans Express** Helen Wilmans,Ada Wilmans Powers,18?? **"Speaking of Dialect"** Erik Redling,2006
