Queering Kinship Han Tao,2024-05-30 Based on ethnographic fieldwork in Guangdong China this book asks what does it mean for Chinese non heterosexual people to go against existing state regulations and societal norms to form a desirable and legible queer family Chapters explore the various tactics queer people employ to have children and to form queer or rainbow families The book unpacks people's experiences of cultivating or losing kinship relations through their negotiation

with biological relatives cultural conventions and state legislations Through its analysis the book offers a new ethnographic perspective for queer studies and anthropology of kinship Science, Theology, and Ethics Ted Peters, 2017-03-02 Science challenges faith to seek fuller understanding and faith challenges science to be socially and ethically responsible This book begins with faith in God the Creator of the world and then expands our understanding of creation in light of Big Bang cosmology and new discoveries in physics Examining the expanding frontier of genetic research Ted Peters draws out implications for theological understandings of human nature and human freedom Issues discussed include methodology in science and theology eschatology in cosmology and theology freedom and responsibility in evolution and theology and genetic determinism genetic engineering and cloning in relation to freedom the commodification of human life and equitable distribution of the fruits of genetic technology The dialogue model of relationship between science and religion proposed in this book provides a common ground for the disparate voices among theologians scientists and world religions This common ground has the potential to breathe new life into current debates about the world in which we live move and have our being

How to Raise an American Myrna Blyth, Chriss Winston, 2007-03-20 Do you love America Are you proud to call this country your home Now what about your kids You want them to love America as much as you do but when popular culture tells them it's cooler to bash this country than to love it how can you teach them to be proud and loyal citizens As mothers themselves bestselling author Myrna Blyth and former presidential speechwriter Chriss Winston have struggled with the same dilemma Shocked by the growing patriotism gap they set out to create a real world resource all parents can use to teach their kids about the greatness of America's past the promise of its future and the important role each of us plays in this democracy How to Raise an American shows you how to make patriotism a priority without it becoming a chore for you or your kids This practical guide offers tips games activities quizzes and information you can use to make patriotism part of your family's daily life including 60 Minute Solutions that easily and seamlessly instill a love of this country Dinner Table Debate topics that will have the whole family talking Road trip ideas that bring America's history to life Books and movies that exemplify our shared ideals Inspiring stories of American courage honor and ingenuity Fun and educational ways to celebrate American holidays like the Fourth of July and Veterans Day Blyth and Winston consulted prominent historians academics military leaders politicians authors scholars film critics and parents around the country to bring you a truly useful guide Part treatise on patriotism part American history primer part civics lesson this book is the antidote to the virulent America bashing our children hear every day Inspiring and practical How to Raise an American is a must for every patriot parent and child

Adopting the Melody of Term: An Mental Symphony within **Right Love Raising Ethical Children In Unethical Times**

In some sort of consumed by screens and the ceaseless chatter of instant transmission, the melodic elegance and emotional symphony produced by the published word often diminish in to the back ground, eclipsed by the relentless noise and disturbances that permeate our lives. But, nestled within the pages of **Right Love Raising Ethical Children In Unethical Times** a stunning literary treasure overflowing with natural thoughts, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that interesting masterpiece conducts visitors on a psychological trip, skillfully unraveling the hidden songs and profound affect resonating within each cautiously constructed phrase. Within the depths with this moving assessment, we shall investigate the book is key harmonies, analyze their enthralling writing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
