

RIGHTS NOW!

World Poverty and the Oxfam Campaign

Dave Dalton

Rights Now World Poverty And The Oxfam Campaign

John Gwynn

Rights Now World Poverty And The Oxfam Campaign:

Rights Now! Dave Dalton,1995 This work explains why so many people are poor and powerless It shows what some of them are doing about it how ordinary people in Britain can support them and what governments could do if enough people demanded change Oxfam s Campaign aims to prove that the world can abolish poverty **Rights Now!** Dave Dalton,1995

Challenging Aid in Africa Zoe Marriage,2019-06-12 This is a startling and controversial investigation into the international assistance given to countries at war Marriage points to the similarities in the psychological and political dimensions of international aid and the violence this assistance is supposed to relieve Looking at the game that large aid organizations play by appealing to a moral argument of rights and principles this book investigates the gap between principle and practice in humanitarian assistance in Africa **Who Elected Oxfam?** Laura Montanaro,2018 What entitles self appointed representatives such as non governmental organizations and celebrity activists to speak and act for others This book argues that such actors can and should be conceptualized as representatives and that they can though do not always represent others in a manner that we can recognize as democratic *Reshaping World Politics* Craig Warkentin,2001 This text examines the ways in which non governmental organizations NGOs contribute to the development and maintenance of global civil society The author investigates eight NGOs and connects their organizational activities to global civil society s constitutive dynamics and processes *The Oxfam Poverty Report* Kevin Watkins,1995 Fifty years ago the United Nations Charter proclaimed universal rights to shared prosperity peace and security How far has that vision of world citizenship been realised Despite advances in human welfare and technology there is today a growing polarisation between rich and poor One in four of the world s people live in absolute poverty unable to meet their basic needs armed conflict is affecting millions of people and the global environment is under threat Yet there is a failure of political will to address the silent emergency of poverty The Oxfam Poverty Report draws on Oxfam s experience of working in over 70 countries to examine the causes of poverty and conflict It identifies the structural forces which deny people their basic rights and gives a wide range of examples of the ways in which men and women are bringing about positive change at every level from the household to the international arena Oxfam believes that it is time to renew the UN vision of universal basic rights The Report concludes by proposing policy and institutional reforms which would transform international institutions and trading relations and calls for a new commitment to work together to eradicate poverty and bring sustainable peace and security for all the world s people

International Development in a Changing World Theo Papaioannou,Melissa Butcher,2013-02-14 International Development in a Changing World introduces key issues debates and ideas about development in the 21st century Uniquely interweaving international relations and development studies the authorial team examines the contested concepts of poverty inequality and livelihood and the emergence of new powers that will affect the architecture of international development Themes of power and agency history and scale integrate the many stories of development covered in the book highlighting

development as a complex process of change and interaction between people as well as between people and institutions including governments and non governmental organizations Interdisciplinary in character the book incorporates theories and tools from across the social sciences to provide a more holistic understanding of the social economic and political transformations involved than most textbooks in the field can offer Chapters are designed to inform policy and practice moving from the theoretical to look closely using a series of case studies at the deliberate actions of people to improve their livelihoods communities and societies International Development in a Changing World is the first of two books in The Open University s International Development series Whether used as a stand alone text or alongside its companion text New Perspectives in International Development this is an ideal introduction to the field for students of International Development International Relations Global Politics and Global Social Policy Tomorrow's Africa John Gwynn,1995 Bringing together a wealth of experience and knowledge from a wide variety of groups and individuals concerned with African affairs the Tomorrow s Africa Conference held in January 1994 constituted a milestone in charting Africa s long march towards genuine economic and political liberty **Alleviating Global Hunger** United States. Congress. Senate. Committee on Foreign Relations,2009 *The Sociology of Human Rights* Mark Frezzo,2014-12-23 Long the arena of philosophers legal scholars and political scientists the interdisciplinary study of human rights has recently seen an influx of sociologists Why is this so and how do sociologists contribute to our understanding of human rights in the contemporary world In this landmark new text Mark Frezzo explores the sociological perspective on human rights which he shows to be uniquely placed to illuminate the economic political social and cultural conditions under which human rights norms and laws are devised interpreted implemented and enforced Sociologists treat human rights not as immutable attributes but as highly contested claims that vary across historical time and geographic space and investigate how human rights can serve either to empower or to constrain social actors from large societies to small communities and identity groups Frezzo guides readers through the scholarly pedagogical and practical applications of a sociological view of major debates such as foundationalism vs social constructionism universalism vs particularism globalism vs localism and collective vs individual rights This cutting edge text will appeal to students of sociology political science law development and social movements and all interested in the nature scope and applicability of human rights in the twenty first century
