Rights Of Women In Islam An Authentic Approach:

The Rights of Women in Islam H. Jawad, 1998-06-30 It has been argued that Islam liberated Muslim women by granting them full rights as citizens Yet in reality we see that women have long been subjected to both cultural and political oppression Instances such as forced marriages are sadly common in the Muslim World as are restrictions on education and on their role in the labour force *The Rights of Women in Islam* Haifaa A. Jawad, 1998 **The Rights of Women in Islam** Haifaa A. Jawad, 1998 **30 Rights of Muslim Women** Daisy Khan, 2024-05-21 2025 Nautilus Award Winner Gold Religion This authoritative go to publication aims to educate women on how to express their rights within Islam Perfect for enabling activists to integrate an egalitarian Islamic belief system into their movements The most effective means of improving Muslim women s lives is connecting them to their deeply held beliefs that affirm human dignity and gender equality at the core of the Islamic faith But Muslim women lack this information that enlightens and vouches for their sacred rights and they have no accessible tools that encourage faith based activism consistent with the Islamic faith To protect them from being misrepresented by or outside their communities there is a need to provide pre packaged easy to understand literacy tools to women so they can lead lives of choice dignity and opportunity 30 Rights of Muslim Women aims to fill this gap **Polygamy, Policy and Postcolonialism in English Marriage Law** Zainab Batul Naqvi, 2023-01-25 Slaves mistresses concubines the English courts have used these terms to describe polygamous wives in the past but are they still seen this way today Using a critical postcolonial feminist lens this book provides a contextualized exploration of English legal responses to polygamy Through the legacies of British imperialism the book shows how attitudes to polygamy are shaped by indifference and hostility towards its participants This goes beyond the law as shown by the stories of women shared throughout the book negotiating their identities and relationships in the UK today Through its analysis the book demonstrates how polygamy and polygamous wives are subjected to imperialist and orientalist discourses which dehumanise them for practising a relationship that has existed for millennia *Towards Building a British Islam* Haifaa A. Jawad, 2011-12-08 Despite the current negative image of Islam in Europe there has been a steady growth of converts to Islam over the past few decades British converts are a highly diverse group with different social economic and educational backgrounds Recently this group has grown in confidence and become increasingly active in influencing positive Islamic discourse in Britain The book sheds light on the intellectual and spiritual contributions of some of the prominent figures of this group of new Muslims and assesses their efforts in shaping Islam in British society including Martin Lings Gai Eaton Tim Winter and Hamza Yusuf The research investigates the potential benefit new Muslims can bring to bridge the gap between Muslim communities and wider British society thus helping in the process of building mutual trust greater cooperation and positive understanding among all parties in Britain The work will help readers to become aware of the evolution of a British Islam that is more open rooted in British values and spiritual traditions and forms a part of the continually changing British
