Rights Right Conduct

Carl Wellman

Rights Right Conduct:

Rights and Persons Abraham Irving Melden,1980-01-01 **Political Order** Ian Shapiro,Russell Hardin,1998-05 In many parts of the world constitutions are being written and rewritten with a great many possibilities being explored and much that matters deeply to millions of people hangs on the results Here major scholars address some of the most pressing questions about political order **Rights** Peter Jones,1994-10-28 This book provides a comprehensive introduction to contemporary thought about rights It examines what it is to have a right and what is distinctive about political moralities that give a fundamental place to rights The varied grounds and implications of claiming rights to liberties socio economic rights and democratic rights are considered and the book concludes with an examination of the theoretical objections and the practical difficulties that proponents of rights have to confront Rights and Duties Carl Wellman,2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play s various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality Prisoners' Rights John Kleinig,2017-07-05 This volume brings together a selection of the most important published research articles from the ongoing debate about the moral rights of prisoners The articles consider the moral underpinnings of the debate and include framework discussions for a theory of prisoners rights as well as several international documents which detail the rights of prisoners including women prisoners Finally detailed analysis of the moral bases for particular rights relating to prison conditions covers areas such as health solitary confinement recreation work religious observance library access the use of prisoners in research and the disenfranchisement of prisoners The Ashgate Research Companion to Military Ethics James Turner Johnson,Eric D. Patterson,2016-03-23 This Companion provides scholars and graduates serving and retired military professionals members of the diplomatic and policy communities concerned with security affairs and legal professionals who deal with military law and with international law on armed conflicts with a comprehensive and authoritative state of the art review of current research in the area of military ethics Topics in this volume reflect both perennial and pressing contemporary issues in the ethics of the use of military force and are written by established professionals and respected commentators Subjects are organized by three major perspectives on the use of military force the decision whether to use military force in a given context the matter of right conduct in the use of such force and ethical responsibilities beyond the end of an armed conflict Treatment of issues in each of these sections takes account of both present day moral challenges and new approaches to these and the historical tradition of just war Military ethics as it has developed has been a particularly Western concern and this volume reflects that reality However in a globalized world awareness of similarities and differences between Western approaches and those of other major cultures is essential For this reason the volume

concludes with chapters on ethics and war in the Islamic Chinese and Indian traditions with the aim of integrating reflection on these approaches into the broad consideration of military ethics provided by this volume

The Ethics and Economics of Liberal Democracies Carl Cavanagh Hodge, Andrew David Irvine, 2024-04-17 Rarely in the short history of liberal democratic government has a primer on basic liberal democratic values and institutions been more needed than now Popular discontent even anger with democratic governments has grown steadily over the past twenty years Not since the 1930s have citizens and their elected officials been so baffled about their respective roles in the maintenance of both democratic governments and liberal economies This book attempts to address this growing need Especially written as a primer for courses in Philosophy Politics and Economics PPE it has introductory chapters on all three main disciplines It also has chapters on the rule of law and on three important public policy areas Corruption Climate and Civil Society Individual topics discussed include free and fair elections populism responsible government republican and Westminster systems of government regulated free markets the Great Recession of 2008 globalization greenwashing identity politics academic freedom utilitarianism social contract theory positive and negative liberty and the good life Historically informed The Ethics and Economics of Liberal Democracies Foundations for PPE is sure to be of interest to students who are interested in public policy work as well as those who are interested in both the theory and practice of democratic government Key Features Written especially for PPE Philosophy Politics and Economics courses and students Focuses on the key values and institutions of modern democracies Includes chapters on both the theory and practice of democratic government and public policy work Provides a comprehensive glossary of relevant terms from all three disciplines

The Lockean Theory of Rights A. John Simmons, 2020-11-10 John Locke's political theory has been the subject of many detailed treatments by philosophers and political scientists But The Lockean Theory of Rights is the first systematic full length study of Locke's theory of rights and of its potential for making genuine contributions to contemporary debates about rights and their place in political philosophy Given that the rights of persons are the central moral concept at work in Locke's and Lockean political philosophy such a study is long overdue

Ombuds Institutions, Good Governance and the International Human Rights System Linda C. Reif, 2020-07-27 This book uses comparative law and comparative international law approaches to explore the role of human rights ombuds classic based ombuds and other types of ombuds institutions in human rights protection and promotion their methods of application of international and domestic human rights law and their roles in strengthening good governance It highlights the increasing importance of national human rights ombuds institutions globally and their roles as national human rights institutions NHRIs Chapters address ombuds institutions as mechanisms to strengthen democratic horizontal and vertical accountability the rule of law and good governance national human rights ombuds institutions as NHRIs the investigatory litigation promotional and other powers of human rights and classic based ombuds and their methods for applying international and domestic human rights law ombuds institutions and the protection and promotion of international

children's rights national human rights ombuds additional mandates as OPCAT national preventive mechanisms UN Convention on the Rights of Persons with Disabilities Article 33.2 framework mechanisms and EU national equality bodies human rights ombuds and business and human rights ombuds institutions gender and women's rights the European Ombudsman and human rights national human rights ombuds and other ombuds models by region accompanied by case studies on national human rights ombuds and the legal and extra legal factors affecting ombuds institutional effectiveness

Rights, Welfare, and Mill's Moral Theory David Lyons, 1994 This volume collects David Lyons's essays on Mill's moral theory and includes an introduction which relates the essays to prior and subsequent philosophical developments The essays defend the beneficiary theory of rights and develop new interpretations of Mill's moral thought
