addition the biography of the famous Templar brother Peter of Bologna is explored due to his considerable impact on the events of the Templar trial of 1310 While many Freemasons believe Peter of Bologna escaped from the Paris trial and went to Scotland in 1313 bringing information crucial to that organization s founding the research included here suggests that Peter returned to Bologna instead serving as a Hospitaller until his death in the city in 1329 This book therefore suggests alternative conclusions regarding Peter of Bologna s death and legacy based on the latest available interdisciplinary research
