Matthew Hurley,2012-11 The inevitability of what was to come hung in the air but the crowd at the outdoor arena at Caesars Palace seemed as dazed as to what was happening as Duran Hearn s now oozing confidence approached center ring and again touched gloves with Duran It would be the last civil thing he did Gliding around the ring and looking like a demented black vampire with his goatee and Jeri curls the Hit Man he had reassumed the moniker for the fight went in for the kill Pushing Duran backwards he leapt in and clobbered the cowering fighter with a vicious right hand that staggered Duran back into the ropes again Hearn s bounced backwards and then jumped in again with another vicious right hand and began pummeling his prey with a series of punches that kept Duran standing straight up Roberto tried to move off the ropes so Hearn s lured him out and then pushed him back with two probing left jabs to the chest before dropping the coup de grace The final right hand that crashed over Duran s guard was so brutal the impact twisted his head to the side and sucked all the air out of the arena A collective gasp went up as Roberto Duran fell face forward to the canvas There would be no count Duran s corner men jumped into the ring as Hearn s leapt onto the shoulders of his handlers It was the most dramatic knockout of Thomas Hearn s career and upped the ante for his potential challenge of Marvelous Marvin Hagler for the middleweight championship Hearn s would fight one more bout before that showdown a three round blast out of contender Fred Hutchings but he would never again be so brilliantly devastating [The Book of Mercer](#) Malvin M.
