A Very English Scandal

John Preston,2018-05-08 The basis for the Emmy award winning limited series starring Hugh Grant and Ben Whishaw A behind the scenes look at the desperate scandalous private life of a British MP and champion manipulator and the history making trial that exposed his dirty secrets While Jeremy Thorpe served as a Member of Parliament and Leader of the Liberal Party in the 1960s and 70s his bad behavior went under the radar for years Police and politicians alike colluded to protect one of their own In 1970 Thorpe was the most popular and charismatic politician in the country poised to hold the balance of power in a coalition government But Jeremy Thorpe was a man with a secret His homosexual affairs and harassment of past partners along with his propensity for lying and embezzlement only escalated as he evaded punishment Until a dark night on the moor with an ex lover a dog and a hired gun led to consequences that even his charm and power couldn t help him escape Dubbed the Trial of the Century Thorpe s climactic case at the Old Bailey in London was the first time that a leading British politician had stood trial on a murder charge the first time that a murder plot had been hatched in the House of Commons And it was the first time that a prominent public figure had been exposed as a philandering gay man in an era

South Africa and the International Media, 1972-1979 James Sanders,2000 This book studies the Anglo American media s representation of South Africa in the 1970s the international media is shown to have been under continuous pressure from both the South African Dept of Information and the anti apartheid movement

British Liberal Leaders Duncan Brack,2015-09-08 As the governing party of peace and reform and then as the third party striving to keep the flame of freedom alive the Liberal Party the SDP and the Liberal Democrats have played an undoubtedly crucial role in the shaping of contemporary British society And yet the leaders who have stood at its helm from Earl Grey to Nick Clegg via William Gladstone David Lloyd George and Paddy Ashdown have steered the Liberal vessel with enormously varying degrees of success With the widening of the franchise revolutionary changes to social values and the growing ubiquity of the media the requirements techniques and goals of Liberal leadership since the party s origins in the struggle for the Great Reform Act have been forced to evolve almost beyond recognition and not all its leaders have managed to keep up This comprehensive and enlightening book considers the attributes and achievements of each leader in the context of their respective time and
