Rinkside A Familys Story Of Courage Inspiration:

Blood Feud Adrian Dater, 2006-11-25 In *Blood Feud* Colorado Avalanche beat writer Adrian Dater not only submits that the Red Wings Avalanche rivalry was the most feverish match up in recent years but also that there was none better played. No fewer than twenty players have or will eventually make it to the Hall of Fame the best scorers were matched up against the best goalies brilliant coaches could be found on both benches and two of the league's smartest general managers ruthlessly tried to one up each other at every NHL trade deadline. *Blood Feud* is a rollicking story of a fierce and often violent rivalry.

Rinkside Craig McCarty, 1999-04 How much should you encourage your child when he or she wants to become a professional athlete? Is it realistic to believe your son can really make it in the NHL? When Craig and Roberta McCarty were faced with that decision they told Darren to always have a plan and they would stand behind him whatever it took. What it took was a lot of family sacrifice but what it led to was a two time Stanley Cup winning career with the Detroit Red Wings. What the family hadn't planned on was the individual struggles both father and son would have to face. After helplessly watching his son battle with alcoholism Craig had to concern himself with his own health when he was diagnosed with multiple myeloma terminal cancer. After years of disagreement father and son put the past behind them and vowed to be there for each other through their difficulties. *Rinkside* is a truly inspirational story of a family struggling to beat the odds and their discovery that a family unit is not disposable but truly one of the most valuable things in life.
