Work in a Metro Anuradha Kalhan, 2017-12-06 This volume is about why work changed to become more precarious around the turn of the century This happened not just in the developed world but also inside sectors that were demarcated as organized and modern within developing countries like India In these sectors unlike the greater part of the Indian economy insecure jobs were uncommon before winds of change made them normal This shift had occurred before the great global financial crisis of 2008 Between 2005-8 a survey based on over thousand structured interviews with workers in offices factories shops and establishments below the supervisory rank in Mumbai was undertaken This is the innovative segment of the book which tries to measure and quantify some of these changes and their associations It is designed to investigate the central proposition of the Insecurity Hypothesis IH which is that the economic risk of increased and global competition was being progressively passed on from the employer to the employee This was happening through shortened job tenure erratic remuneration variable work contingent employment and institutional changes that remove or reduce protection bargaining power of employees in the work place everywhere The corollary is that widespread and unremitting work and income related insecurity is an expedient competitive strategy but a damaging socio economic phenomenon Please note Taylor Francis does not sell or distribute the Hardback in India Pakistan Nepal Bhutan Bangladesh and Sri Lanka

Urban Renewal in India Pablo Holwitt, 2020-03-20 This book interrogates contemporary processes of neoliberal urban renewal in the Global South by studying the model of chawl redevelopment in Mumbai India The model of chawl redevelopment is used to address questions

surrounding contemporary urban renewal Focusing on attempts to redevelop Mumbai's central middle class neighbourhoods popularly known as Girgaum into a modern downtown of a global metropolis the author sheds light on the impact this development model has on the everyday lives of people inhabiting transformed urban environments He examines from an ethnographic perspective apparently contradictory intentions of planners investors residents activists and politicians A combination of detailed and vivid ethnographic accounts and incisive theoretical arguments the book shows that the highly contested and controversial approach of chawl redevelopment serves as an example of the manifold ideological tendencies in India today and how they combine clash and continuously shape each other in surprising and unpredictable ways Offering new insights in the topics of class dynamics in the era of globalization and neoliberalism urban gating sense studies and urban politics in South Asia this book will be of interest to academics working on South Asian Studies Anthropology Sociology as well as Urban and Global Studies **India's New Economic Policy** Waqar Ahmed,Amitabh Kundu,Richard

Peet,2010-10-04 Conventional interpretations of the New Economic Policy introduced in India in 1991 see this program of economic liberalization as transforming the Indian economy and leading to a substantial increase in the rate of India's economic growth But in a country like India growth is not enough Who benefits from the new growth regime and can it significantly improve the conditions of livelihood for India's 800 million people with incomes below 2 00 a day This edited volume looks at international policy regimes and their national adoption under strategic conditions of economic crisis and coercion and within longer term structural changes in the power calculus of global capitalism The contributors examine long term growth tendencies poverty and employment rates at the national level regional level and local levels in India the main growth centers the areas and people left out the advantages and deficiencies of the existing policy regime and alternative economic policies for India Bringing together the leading figures in the discussion on India's economic policy this volume is the authoritative critical study of India's New Economic Policy The Power of Place Mark W.
