Horae Apocalypticæ Edward Bishop Elliott, 1847 The Christian Tradition Jaroslav Pelikan, 2018-03-26 Jaroslav Pelikan begins this volume with the crisis of orthodoxy that confronted all Christian denominations by the beginning of the eighteenth century and continues through the twentieth century in its particular concerns with ecumenism The modern period in the history of Christian doctrine Pelikan demonstrates may be defined as the

time when doctrines that had been assumed more than debated for most of Christian history were themselves called into question the idea of revelation the uniqueness of Christ the authority of Scripture the expectation of life after death even the very transcendence of God Knowledge of the immense intellectual effort invested in the construction of the edifice of Christian doctrine by the best minds of each successive generation is worth having And there can hardly be a more lucid readable and genial guide to it than this marvellous work Economist This volume like the series which it brings to a triumphant conclusion may be unreservedly recommended as the best one stop introduction currently available to its subject Alistair E McGrath Times Higher Education Supplement Professor Pelikan s series marks a significant departure and in him we have at last a master teacher Marjorie O Rourke Boyle Commonweal Pelikan s book marks not only the end of a dazzling scholarly effort but the end of an era as well There is reason to suppose that nothing quite like it will be tried again Harvey Cox Washington Post Book World Preach for a Year Volume 8 Roger Campbell, 2014-07-16 From an accomplished pastor and writer this eighth and final book in the best selling Preach for a Year series provides the busy pastor with two practical and easy to use outlines for every Sunday of the year All outlines are structured in three sections an introduction which provides attention getting thoughts for sermon starters a body with several points of biblical exposition and a conclusion which suggests practical questions and devotional thoughts for application A complete Scripture index rounds out this comprehensive resource These outlines provide structure for pastors study and preaching to which they can add their own style and material to build weekly sermons Horae Apocalypticae: or, A commentary on the Apocalypse, critical and historical Edward Bishop Elliott, 1847 Horae Apocalypticae Vol. 3 E. B. Elliot, 2018-05-30 Horae Apocalypticae is a commentary on the apocalypse critical and historical including also an examination of the chief prophecies of Daniel It is doubtless the most elaborate work ever produced on the Apocalypse Editors Note 2018 Quin Ed E B Elliot finished his great work about the year 1860 The nature of the Historicist method of interpretation is such that the line of fulfilled prophecy is continually moving with the passage of time The interpretation of which necessarily requires a certain amount of speculation which must be verified before accepted as true As well intentioned as many are the passage of time will overthrow the best of expositors on some points of which time would reveal to be mere speculation Though the bulk of Mr Elliot s work still stands the test of time time has unveiled a more likely or true interpretation on some points The editors herein have made some updates commensurate *Notes to volumes 3 and 4: From Moses in the wilderness to Esther* Louis Ginzberg, 1928
