Rise Of Benedict XVI The Inside Story Of

John L. Allen,

Rise Of Benedict XVI The Inside Story Of:

The Rise of Benedict XVI John L. Allen, Jr., 2006-10-17 Commendable and balanced With crisp writing and an amazing attention to detail Allen brings readers inside the papal jockeying covering the days of mourning and the conclave The Los Angeles Times A welcome contribution to understanding the new pontificate The Rise of Benedict XVI is a useful chronicle that packs a lot into relatively few pages Richard John Neuhaus First Things For a current look at the new papacy Allen is the person to read He is fair free from the oracular pomposity of some American commentators and as always highly readable Commonweal The Rise of Benedict XVI covers the subject thoroughly and thoughtfully In smooth readable prose devoid of polemics he outlines competing expectations and explains the strengths and weaknesses of each San Antonio Express News A worthwhile contribution to understanding why Rome has its first German pope in 800 years The Washington Post On April 18 2005 the College of Cardinals of the Roman Catholic Church gathered to elect a successor to Pope John Paul II Faced with several potential candidates the cardinals made a bold choice entrusting the Keys of the Kingdom to 78 year old Cardinal Joseph Ratzinger of Germany a man whose views on the challenges facing the Church and the broader culture could not be more unambiguous or controversial Questions arose as the world watched while Ratzinger was installed as Pope Benedict XVI No one can tell the story of exactly what took place during the closed doors meeting known as the conclave when Cardinals from around the world cast their votes for the next pope better than John L Allen Jr As a correspondent for National Catholic Reporter and a Vatican analyst for CNN and National Public Radio Allen has spent years covering Vatican politics and personalities and his unique access to Roman halls of power has enabled him to write the ultimate behind the scenes account of the election of Pope Benedict XVI

The Rise of Benedict XVI John L. Allen, Jr., 2007-12-18 From the author of Conclave and All the Pope's Men comes the story of Pope John Paul II's last days the behind the scenes dynamics within the College of Cardinals that led to the choice of Joseph Ratzinger as Pope Benedict XVI On April 18 2005 the College of Cardinals of the Roman Catholic Church gathered to elect a successor to Pope John Paul II Faced with several potential candidates the cardinals made a bold choice entrusting the Keys of the Kingdom to 78 year old Cardinal Joseph Ratzinger of Germany a man whose views on the challenges facing the Church and the broader culture could not be more unambiguous or controversial Questions arose as the world watched while Ratzinger was installed as Pope Benedict XVI the 266th pontiff of the Catholic Church Why Ratzinger Why someone so clearly identified with the previous pope Why not a compromise choice Why a Cardinal from Western Europe and not from Africa or Latin America What would this mean for the future of the Catholic Church No one can tell the story of exactly what took place during the closed doors meeting known as the conclave when Cardinals from around the world cast their votes for the next pope better than John L Allen Jr As a correspondent for National Catholic Reporter and a Vatican analyst for CNN and National Public Radio Allen has spent years covering Vatican politics and personalities and his unique access to Roman halls of power has enabled him to write the ultimate behind the

scenes account of the election of Pope Benedict XVI The Rise of Benedict XVI is based on extensive research and exclusive interviews with eight cardinals representing five nationalities guaranteeing readers an intimate glimpse into this monumental decision But Allen s insight also means that he is in a unique position to evaluate the accomplishments and legacy of the man now known as Pope Benedict XVI and to provide some analysis of the direction he would take the Catholic Church in the coming years Ratzinger s long career as a major Vatican insider force of influence and occasionally polarizing figure has ensured that his pontificate will be one of the most fascinating in the history of the Catholic Church Benedict XVI would certainly have a major impact on the lives of the faithful around the world and John Allen s riveting new book is the definitive work on this turning point in history **The Rise of Benedict XVI** John L. Allen, 2005-06-13 On 19 April 2005 at 5 50pm white smoke poured from the Vatican chimney Joseph Ratzinger had become one of the most important figures on earth How and why was Pope Benedict XVI elected And what will his impact be on the Catholic faith and the world Vatican correspondent John L Allen draws on his unparalleled knowledge to give the full inside story of the Church s new leadership In this in depth account he examines the transition from John Paul II to Benedict XVI the legacy of the previous Pope and the role of the current leader He takes us right into the heart of the selection process interviewing the cardinals who chose Benedict XVI to reveal their thoughts on the new Pope and the reasons why he was picked And he looks at why this conclave was one of the briefest of modern times Confronting many difficult questions Allen asks what the choice of a renowned hard line traditionalist will mean for 1 1 billion Catholics around the globe What do the way Ratzinger rose to power his history and theological views say about how the faith will now move forward Why did the Vatican choose such a seemingly safe candidate And what will the consequences be for Catholicism and the challenges it faces today *The Thought of Pope Benedict XVI* Aidan Nichols, 2024-06-13 This important and illuminating book focuses on Ratzinger s status as one of the preeminent Catholic theologians of the 20th century Aidan Nichols provides a full scale investigation of his theology as it develops from the 1950s onward The book presents a chronological account of the development of Ratzinger s writing which reflects a wide range of historical and theoretical interests such as Augustine s ecclesiology early Franciscanism and the idea of salvation history Christian brotherhood the unfolding of the Second Vatican Council the Apostles Creed explorations of the concept of the Church preaching liturgy and Church music eschatology the foundations of dogmatic and moral theology and the problem of pluralism This third edition as well as providing a two chapter long biography of Joseph Ratzinger Benedict XVI and amplifying the account already given of his later pre papal writings describes the new thinking that belongs to the years of Benedict s pontificate That comprises his trilogy of books on Jesus of Nazareth his quartet of encyclicals and the set of major speeches he gave at global venues chiefly on the contribution of faith to culture and civil society An expanded Conclusion weighing the lasting significance of his work leads into a presentation of the themes of his posthumous essay collection the curtain call he entitled What is Christianity **Pope Benedict XVI** D. Vincent Twomey, 2007-01-01 A close

longtime associate of Pope Benedict presents a unique theological and personal portrait of the Pope that gives wonderful insights to both his teachings and the man himself This work on the new Pope important in its unique approach to the thought and person of who this Pontiff is for Christians everywhere to better understand him his leadership and his role as the most respected spiritual teacher in the world Pope Benedict XVI Thomas Streissguth,2006-08-15 Biography of the German Cardinal who succeeded John Paul II to become Pope Benedict XVI The Eucharistic Vision of Laudato Si Lucas Briola,2022-12-28 No other encyclical has generated as much conversation both Catholic and non Catholic as Laudato si Often forgotten in these conversations is the theological heart and eucharistic vision of the encyclical and its integral ecology Even the title of Laudato si Praised be signals the centrality of right praise in caring for our common home Using Bernard Lonergan s theology of history this book unearths the doxological eucharistic vision that shapes the encyclical s integral presentation of social and ecological conversion It offers the first book length study that recovers the eucharistic nature of Laudato si In drawing out the eucharistic vision of Laudato si the book accomplishes several feats for the reader It roots the eucharistic dimensions of the encyclical in the writings of Popes John Paul II and Benedict XVI showing how Pope Francis develops their thought in notable ways It introduces Bernard Lonergan s theology of history showing how his framework can capture the eucharistic contours of caring for our common home so too in light of Laudato si does the book expand his theology of history to incorporate both ecological concern and the doxological eucharistic essence of the church The book assembles a liturgically shaped systematic account of the church s social mission It joins poles otherwise sundered in a polarized church and world between worship and justice between concerns for human life and concerns for the natural world Realizing the eucharistic vision of Laudato si promises much for our contemporary moment Pope Francis recently observed that the integral ecology of Laudato si holds the key for the world s recovery from the COVID 19 pandemic The U S Catholic Bishops recently launched a Eucharistic Revival that aims to rekindle eucharistic devotion and praxis The Eucharistic Vision of Laudato Si Praise Conversion and Integral Ecology supplies a timely study that helps fulfill these intertwined calls

Ratzinger on Religious Pluralism Fr. Sameer Advani, LC,2024-10-01 What can Christian theology claim about the place of other religions in God s providential plan for humanity How can it reconcile the universality of God s saving plan and the particularity of Christ and the Church What meaning is left to Christian existence and mission in a religiously pluralist world As priest theologian cardinal archbishop and pope Joseph Ratzinger reflected on these difficult questions for more than half a century and in a variety of contexts proffering an array of profound answers that are dispersed across his substantial literary corpus In Ratzinger on Religious Pluralism Sameer Advani assembles and synthesizes these reflections and answers of the late pontiff providing a systematic study of Ratzinger s theology of religions that attends to the scope of his larger historical philosophical and theological concerns The first part analyzes Ratzinger s critical engagement with various paradigms of religious pluralism whose accounts of religion Christianity and non Christian religions he found both phenomenologically and

theologically wanting The second part in turn explores Ratzinger's positive proposal for a theology of religions which locates both Christianity and non-Christian religions against the larger backgrounds of anthropological unity the human search for truth and divine providence Advani argues that while Ratzinger rejected the idea that other religions are salvific or on par with Christianity he recognized both their important role in God's providential plan and their suitedness to an assumption into the Church through mutual albeit asymmetric purification and enrichment

The Two Popes Anthony McCarten, 2025-10-16 THE STORY BEHIND THE SCREENPLAY OF THE TWO POPES THE MAJOR MOTION PICTURE STARRING ANTHONY HOPKINS AND JONATHAN PRYCE PREVIOUSLY PUBLISHED AS THE POPE From the Academy Award nominated screenwriter of *The Theory of Everything* and *Darkest Hour* comes the fascinating and revealing tale of an unprecedented transfer of power and of two very different men who both happen to live in the Vatican In February 2013 the arch-conservative Pope Benedict XVI made a startling announcement he would resign making him the first pope to willingly vacate his office in over 700 years Reeling from the news the College of Cardinals rushed to Rome to congregate in the Sistine Chapel to pick his successor Their unlikely choice Francis the first non-European pope in 1 200 years a one-time tango club bouncer a passionate soccer fan a man with the common touch Why did Benedict walk away at the height of power knowing his successor might be someone whose views might undo his legacy How did Francis who used to ride the bus to work back in his native Buenos Aires adjust to life as leader to a billion followers If as the Church teaches the pope is infallible how can two living popes who disagree on almost everything both be right Having immersed himself in these men's lives to write the screenplay for *The Two Popes* Anthony McCarten masterfully weaves their stories into one gripping narrative From Benedict and Francis's formative experiences in war-torn Germany and Argentina to the sexual abuse scandal that continues to rock the Church to its foundations to the intrigue and the occasional comedy of life in the Vatican *The Two Popes* glitters with the darker and the lighter details of one of the world's most opaque but significant institutions

The Francis Miracle John L. Allen, 2015-03-03 There is no other organization whose inner workings are more secretive than the Vatican the spiritual and physical center of the Catholic Church Now with a dynamic new leader in Pope Francis all eyes are upon the church as this immensely popular Pope seeks to bring the church back from the right to center in what can almost be described as a populist stance blurring the lines between politics religion and culture With topics including women finance scandal and reform at the fore never before have so many eyes been upon the church in what could be its defining moment for modern times Now the most respected journalist covering the Vatican and the Catholic Church today John L. Allen reveals the inner workings of the Vatican to display the vast machinery and the man at the helm in a way that no other writer can The Boston Globe has stated that John L. Allen is basically the reporter that bishops and cardinals call to find out what's going on within the confines of the Vatican
