The Rise of the South African Reich Brian Bunting, 1969 **The Rise of the South African Reich**, 1964 The Rise of the South African Reich [by] Brian Bunting Brian Bunting, 1969 The Rise of Afrikanerdom T. Dunbar Moodie, 1975-01-01 Christian Nationalism and the Rise of the Afrikaner Broederbond in South Africa, 1918-48 Charles Bloomberg, 1989-06-18 An investigation into the phenomenon of Christian nationalism amongst the whites in South Africa and the simultaneous rise of the exclusive right wing society the Afrikaner Broederbond *The Politics of South African Cricket* Jon Gemmell, 2004-03-31 The Politics of South African Cricket analyses the relationship between politics and sport in particular cricket in South Africa South African Cricket embraces an ethos that is symbolic of a wider held belief system and as such has distinctive political connotations in the region Sport in South Africa is certainly influenced by forces beyond the playing field but politics too can be influenced by the social and economic force of sport Focusing on the sports boycott as a political strategy Jon Gemmell analyses the relationship between sport and politics through a historical analysis of South African cricket He employs case studies to explore the relationship between politics and South African cricket and argues convincingly that cricket assisted the reform process by undermining the legitimacy of the apartheid regime *Inside South Africa's Foreign Policy* John Siko, 2014-06-16 South Africa is a major player in African diplomacy Its economic diplomatic and military resources far outstrip those of other nations on the continent and it has since the country's 1994 democratic transition sought to take a lead role in the continent's relations with other power blocs particularly during the 1999-2008 presidency of Thabo Mbeki While Mbeki's push for greater African engagement in the global political sphere drew widespread praise other positions notably its seeming inaction toward Zimbabwe and perceived abandonment of its stated emphasis on human rights in foreign policy were more controversial both at home and abroad John Siko has had insider access to South Africa's leading foreign policy players and has been able to ask why Pretoria has taken its various stances and who has mattered in influencing those decisions a topic little examined since 1994 In addition he examines the foreign policy process over the past century determining that despite ANC promises of greater democratic engagement on foreign policy the process has changed quite little The Oxford Handbook of Business Groups Asli M. Browning, Susannah Heschel, 2015-07-13 Leading international Holocaust scholars reflect upon their personal experiences and professional trajectories over many decades of immersion in the field Changes are examined within the context of individual odysseys including shifting cultural milieus and robust academic conflicts
