The Rise and Decline of the English Working Class, 1918-90: A Social History

Hopkins, Eric

Note: This is not the actual book cover

Rise And Decline Of The English Working Class

Paul Addison, Harriet Jones

Rise And Decline Of The English Working Class:

The Rise and Decline of the English Working Classes 1918-1990 Eric Hopkins,1991-01-01 The working class in mid-twentieth-century England Ben Jones,2018-09-30 This book maps how working class life was transformed in England in the middle years of the twentieth century National trends in employment welfare and living standards are illuminated via a focus on Brighton providing valuable new perspectives of class and community formation Based on fresh archival research life histories and contemporary social surveys the book historicises important cultural and community studies which moulded popular perceptions of class and social change in the post war period It shows how council housing slum clearance and demographic trends impacted on working class families and communities While suburbanisation transformed home life leisure and patterns of association there were important continuities in terms of material poverty social networks and cultural practices This book will be essential reading for academics and students researching modern and contemporary social and cultural history sociology cultural studies and human geography

Working-Class Community in the Age of Affluence Stefan Ramsden,2017-02-24 It has appeared to many commentators that the most fundamental change in what it is meant to be working class in twentieth century Britain came not as a result of war or of want but of prosperity Social investigators documented how the relative affluence of the 1950s and 1960s improved the material conditions of life for working class Britons whilst eroding their commitment to the shared life of traditional communities Utilising an oral history case study of sociability and identity in the Yorkshire town of Beverley between the end of the Second World War and the election of Margaret Thatcher s government Working Class Community in the Age of Affluence challenges this influential narrative An introductory essay outlines how sociologists and historians understood the complex social cultural and economic changes of the post war decades through the prism of affluence and traces how these changes came to be seen as deleterious to the traditional working class community The book then proceeds thematically exploring change across areas of social life including family neighbourhood workplace and associational life This book represents the first sustained historical analysis of change and continuity in working class community living during the age of affluence It suggests not only that older social practices persisted but also that new patterns of sociability could strengthen as much as undermine community Ultimately Working Class Community in the Age of Affluence asks us to rethink assumptions about the decline of local solidarities in this pivotal period and to recognise community as a key feature of working class life across the twentieth century

Modern Britain Third Edition Edward Royle,2016-05-16 Praise for the first edition Royle calls on an impressive range of materials supported by an excellent bibliography to offer a judicious review of most of the issues currently confronted by social historians His agenda contains both traditional and novel elements all are presented with admirable clarity and balance A volume which shows an astonishing command of such a wide range of material will long prove essential reading Times Literary Supplement This popular work provides an in depth historical background to issues of contemporary concern tracing

developments over the past two and a half centuries It promotes accessibility by adopting a thematic approach with each theme treated chronologically Major themes are chosen partly by their importance to an understanding of the past and partly by their relevance to students of contemporary Britain rather than by imposing current fashions in historical study on the past Thoroughly revised the third edition of *Modern Britain* reviews and brings up to date the content to take account of developments since 1997 and reconsiders emphases and interpretations in light of more recent scholarship It incorporates new currents in historical writing on matters such as the language of class the position of women and the revolution worked by the Internet and mobile technologies *Modern Britain* is vital reading for students of history and the social and political sciences

The Rise and Fall of Class in Britain David Cannadine,1999 Although politicians in Britain are now calling for a classless society can one conclude as do many scholars that class does not matter anymore Cannadine uncovers the meanings of class for such disparate figures as Adam Smith Karl Marx and Margaret Thatcher and identifies the moments when opinion shifted such as the aftermath of the French Revolution and the rise of the Labour Party in the early twentieth century

A Companion to Contemporary Britain 1939 - 2000 Paul Addison,Harriet Jones,2008-04-15 A Companion to Contemporary Britain covers the key themes and debates of 20th century history from the outbreak of the Second World War to the end of the century Assesses the impact of the Second World War Looks at Britain's role in the wider world including the legacy of Empire Britain's special relationship with the United States and integration with continental Europe Explores cultural issues such as class consciousness immigration and race relations changing gender roles and the impact of the mass media Covers domestic politics and the economy Introduces the varied perspectives dominating historical writing on this period Identifies the key issues which are likely to fuel future debate

20th Century Britain Francesca Carnevali,Julie-Marie Strange,2014-06-11 Written by leading international scholars Twentieth Century Britain investigates key moments themes and identities in the past century Engaging with cutting edge research and debate the essays in the volume combine discussion of the major issues currently preoccupying historians of the twentieth century with clear guidance on new directions in the theories and methodologies of modern British social cultural and economic history Divided into three the first section of the book addresses key concepts historians use to think about the century notably class gender and national identity Organised chronologically the book then explores topical thematic issues such as multicultural Britain religion and citizenship Representing changes in the field some chapters represent more recent fields of historical inquiry such as modernity and sexuality

The Rise and Decline of the English Working Class 1918-1990 Eric Hopkins,1991

Industrialisation and Society Eric Hopkins,2000 Industrialisation and Society surveys contemporary ways in which the government and ordinary people tried to cope with these new pressures including the reflective critical thinking of the age

Jacket *A Hundred English Working-Class Lives, 1900-1945* Rebecca Ball,2024-07-11 Stanley Rice born in London in 1905 began his autobiography by stating that his life was an ordinary average life with all its ups and downs Stanley may have

described his life as ordinary and yet he lived through a period of rapid social change including two world wars Despite this Stanley assumed that his life story would be of little interest to most readers as he had not achieved great fame or any notable accolades This book argues that this is exactly why historians should focus on such life stories as there is much to be gained by focusing on memories of ordinary average lives as they can expand our knowledge of the past often revealing firsthand experiences that have been excluded from the historical record This book does not intend to be a general social history of the working class Rather it is a work of memory drawing upon a microhistory methodology to examine how a sample of one hundred working class autobiographers remembered and wrote about living through years that were punctuated by two worldwide conflicts and a global economic depression

Rise And Decline Of The English Working Class Book Review: Unveiling the Magic of Language

Rise And Decline Of The English Working Class Introduction

In today's digital age, the availability of Rise And Decline Of The English Working Class books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rise And Decline Of The English Working Class books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rise And Decline Of The English Working Class books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rise And Decline Of The English Working Class versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rise And Decline Of The English Working Class books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rise And Decline Of The English Working Class books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rise And Decline Of The English Working Class books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open

Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rise And Decline Of The English Working Class books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rise And Decline Of The English Working Class books and manuals for download and embark on your journey of knowledge?
