Rise of a Merchant Prince Raymond E. Feist, 1995 *George Galphin and the Transformation of the Georgia-South Carolina Backcountry* Michael P. Morris, 2014-12-05 The focus of this work is a reconstruction of the life and career of an Ulster Scot fur trader George Galphin pronounced Golfin who immigrated to South Carolina in the colonial period The thesis of this work is that his life and career helped to shape the history of the backcountry of Georgia and South Carolina in three distinct ways First his support of a for profit Indian trade as opposed to a for stability trade shaped Anglo Indian relations between frontier settlers and their Indian neighbors Ultimately men like Galphin helped the United States move away from the British policy towards Native Americans in favor of a uniquely American policy which ran the gamut from exploitation to land seizures and finally toward Indian Removal itself The book involves a look at the histories of the Muskogee Creeks and Cherokees who were his clients and has a heavy Native American component Galphin s second major influence on the Southeast came with the creation of the Ulster Scot communities he sponsored in both South Carolina and Georgia The relocation plans catered strictly to the Scots Irish Protestants and located them in danger zones between coastal settlements of Anglo Saxon British settlers and the Indian frontiers of the two colonies Galphin s third major influence came during the American Revolution when he was appointed as a Patriot Indian Commissioner fighting to control the southeastern tribes and keep them out of the war In that role he made his contribution as did so many others that helped secure a Patriot victory This part of his story would be of note to an audience interested in the American Revolution in the South from the perspective of the backcountry Finally his family life included the creation of a large multi racial family which helped establish the Creole society of the Eastern Georgia Western South Carolina His spouses and children included Caucasians Native Americans and African Americans Two of Galphin s daughters were his slaves until his death Kaufmann's Marylynne Pitz, Laura Malt Schneiderman, 2022-10-18 In 1868 Jacob Kaufmann the nineteen year old son of a German farmer stepped off a ship onto the shores of New York His brother Isaac soon followed and together they joined an immigrant community of German Jews selling sewing items to the coal miners and mill workers of western Pennsylvania After opening merchant tailor shops in
