of whom to trust he is forced to make an alliance with Alpha a beautiful dangerous pirate with an agenda of her own As they race towards a promised land that might only be a myth Banyan makes shocking discoveries about his family his past and how far people will go to bring back the trees The Beauty Kill Marc Olden, 2012-06-26 DIV On the verge of death from two gunshot wounds Bolt vows revenge They call him Black Beauty because he is the most gorgeous thief the drug world has ever seen Where some are content to make a living ripping off dime bag hustlers Black Beauty steals from big time dealers taking profits from international cartels to keep himself rich well dressed and smiling His latest score netted him 850 000 along with the twenty two kilos of cocaine the money was intended to buy To get it he killed four men and left one narcotics agent to bleed to death in a parking lot Before long Black Beauty will wish he finished the job John Bolt is too tough to let a pretty boy kill him As soon as he is strong enough to lift a 45 he is coming after Black Beauty even if he has to take vengeance from a wheelchair div *The Windows of Heaven* Ron Rozelle, 2022-11-10 Winner of the 2000 Texas Review Fiction Prize Set in Galveston during the 1900 storm the most devastating natural disaster in the history of the United States this sweeping novel follows the fates of several richly drawn characters It is the story of Sal the little girl who is wise beyond her years and who holds out as much hope for the world as she does for her father the ruined son of a respected father It is the story of Sister Zilphia the nun who helps run the St Mary's Orphanage The only thing separating the two long buildings of the orphanage is a fragile line of sand dunes the only thing separating Zilphia from the world is the brittle faith that she has been sent there to consider A faith that has never been truly tested Until now And it is the story of Galveston herself the grand old lady of the Gulf Coast with her harbor filled with ships from the world over her Victorian homes and her brothels and her grand pavilions set in their own parks and her stately mansions along Broadway the highest ground on the island at eight feet above sea level All must face their darkest night now as nature hurls the worst she can muster at the narrow strip of sand and saltgrass that is doomed to become for a time part of the ocean floor This is the story of heroes and villains of courage and sacrifice and most of all of people trying desperately to survive And it is the story of an era now gone of splendor and injustice filled with the simple joy of living Prologue It started raining after midnight At first a few heavy drops as large as pebbles splattered against windows and spotted the dry pavement of the streets They plinked into half full troughs of dirty water outside the saloons on Post Office Street horses tied there winced against the stings People inside the saloons sailors and dock workers and whores paid no attention to the steadily quickening tattoo being pelted out on the tin sheets or slates of the roofs but kept to the business at hand the drinking and gambling and the sweaty brief stabbing away at the very oldest of human exertions Some of Galveston's people in other parts of the city listened to the rain from their beds A few who had looked up that day at the Levy Building on Market Street and noticed the pair of warning flags that flew from the fourth floor offices of the Weather Bureau knew that this was the first slow calling card of a tropical storm Isaac Cline the chief of the bureau had hoisted the flags on Friday morning and they had danced and popped in the brisk north wind all day The red one

with the black box in its middle meant that a particularly malevolent storm was a possibility The white one above it meant that if it came it would come from the northwest But not too many people had seen the flags And now the first big drops of rain plopped into the sand dunes and salt grass of the island and slid through the muted light of the gas street lights in town and nobody paid much attention to them Those in bed closed their eyes and let the tapping of the rain sing them to sleep It had come a long way this storm Almost two weeks before somewhere on the immense swaying surface of the eternal Atlantic a small portion of the sea had rebelled against the unremitting late summer heat and heaved itself up in protest Africa lay a thousand miles to the east over the vast bowl like curve of the world and many more thousands of miles of ocean and sky stretched endlessly to the west The air above the place had become suddenly full of new burdensome moisture **Dance With the Devil** James Dressler, 2008-01-06 Tom Holloway and his Southern friends are excited about their prospects in joining the war effort but the only thing they know of battle is what they've read about in newspapers They envision the whole thing as an adventure something to prove their manhood to make them into men and a diversion from their sometimes boring school regimen Ultimately they anticipate becoming heroes on a winning team Words from a grizzled war veteran makes Tom wonder whether his ideas of war are more romantic than realistic As he marches off with his friends to battle with the Yankees he remembers the harsh illumination he'd been given from a soldier with experience Watching friends and comrades die in a volley of gun and cannon fire on blood soaked ground teaches the foursome the truth of war Will hell hunger cold fatigue fear and resignation be the only comrades they have left
