Rise Up O Woman And Deliver Yourself:

Rise Up O' Woman and Deliver Yourself Martha L. Crockett, 2004-11 Having been instrumental in building a church from the embryonic stage the author understands the sacrifices that the first family must make in order for the pastor's vision to be realized. Many times these sacrifices impact the family in ways that are parallel to none. Often some are unnecessary but due to a lack of wisdom, knowledge and understanding of the role and responsibility the family may experience much suffering and pain. As a result of the author's own encounterings in this area she believes her experiences were not uncommon to the wives of pastors but also she believes they were not ordinary. It is her persuasion that everything that has happened to her had a purpose and certainly they have been instrumental in helping her to understand what hurting wives of pastors feel. In this her third published book she shares very personal experiences which she believes were not meant to be kept personal. She is convinced that her pain and her living will be in vain if she takes her experiences to the grave. The author believes she has a healing message that can revolutionize the pastor's wife. Not only will it benefit the pastor's wife but also it has a message conducive to anyone who wishes to rise above many of life's circumstances. She feels that much pain can be avoided where there is wisdom. With her experience has come wisdom; therefore this book has been written that others may benefit from her wisdom without paying the price of experience which one of life's most expensive and greatest teachers.

The Book of Common Prayer, and Administration of the Sacraments, and Other Rites and Ceremonies of the Church, According to the Use of the Church of England; Church of England, 1703 The Ladies' Repository, 1862 The holy Bible, 1847 'The Real Scriptures' of God - Old Testament James Platter, 2012-11

Inside the covers of this book you will find the Real Scriptures of the Christian churches. Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books. It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A.D. therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God. They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries. They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world. So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures. Ethiopia it seems got most books of scripture right even with their translation into an ancient language. The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A.D. Version of the KJV Bible.
