Rising Son:

Abolitionist Twilights Raymond James Krohn, 2023-10-03 Provides unique insight into Reconstruction's downfall and Jim Crow's emergence. In the years and decades following the American Civil War, veteran abolitionists actively thought and wrote about the campaign to end enslavement. This study explores the late-in-life reflections of several antislavery memorial and historical writers evaluating the stable and shifting meanings of antebellum abolitionism amidst dramatic changes in postbellum race relations. By investigating veteran abolitionists as movement chroniclers and commemorators and situating their texts within various contexts, Raymond James Krohn further assesses the humanitarian commitments of activists who had valued themselves as the enslaved people's steadfast friends. Never solely against slavery, post-1830 abolitionism challenged widely held anti-Black prejudices as well. Dedicated to emancipating the enslaved and elevating people of color, it equipped adherents with the necessary linguistic resources to wage a valiant, sustained philanthropic fight. *Abolitionist Twilights* focuses on how the status and condition of the freedpeople and their descendants affected book-length representations of antislavery persons and events. In probing veteran abolitionist engagement in or disengagement from an ongoing African American freedom struggle, this ambitious volume ultimately problematizes scholarly understandings of abolitionism's racial justice history and legacy.

House of the Rising Sun James Lee Burke, 2016-08-30 The story of a father and son separated by war and circumstance and whose encounter with the legendary Holy Grail will change their lives forever. An epic tale of love, loss, betrayal, vengeance, and retribution that follows Texas Ranger Hackberry Holland on his journey to reunite with his estranged son, Ishmael, a captain in the United States Army.

Arlo Guthrie Hank Reineke, 2012-06-01 Arlo Guthrie, the son of America's legendary dust-bowl troubadour Woody Guthrie and Martha Graham dancer Marjorie Mazia Guthrie, was reared in the rarefied atmosphere of New York City's remnant Old Left culture, a period that brought together art, political action, and folk music. Music was part of Guthrie's life from the very beginning, and his self-confessed earliest childhood memory was standing knee-high next to Lead Belly, the blues legend and King of the twelve-string guitar. Arlo's earliest mentors were his father's friends, and the youngster would learn his craft from the giants of American folk music: Pete Seeger, the Weavers, Cisco Houston, Josh White, Oscar Brand, Ramblin' Jack Elliott, Brownie McGhee, and Sonny Terry. Arlo Guthrie: The Warner Reprise Years revisits Guthrie's fifteen-year ride as a recording artist for the prestigious record label. Hank Reineke guides readers through the colorful history of Guthrie's most creative period, when the droll, shaggy-haired troubadour promised in song that a new world was surely coming. In his thoughtful consideration of Guthrie's career as a popular if idiosyncratic recording artist for the Reprise-Warner Bros. label, Reineke regales readers with stories behind the remarkable success of Guthrie's talking blues turned movie, *Alice's Restaurant*, and his celebrated appearance at the 1969 Woodstock festival. Guthrie's time at Reprise-Warner Bros. from 1967 to 1982 saw twelve critically acclaimed solo albums, two staple singles of FM radio, *Coming Into Los Angeles* and *City of New Orleans*, and a pair of

treasured folk music recording collaborations with Pete Seeger With a look at Guthrie's life and times before and after this prolific period of his career *Arlo Guthrie The Warner Reprise Years* is the first biography dedicated solely to this gifted artist A goldmine of information on the Guthrie family's legacy to American music the counterculture of the 1960s and the record industry of the 1970s this work also features a detailed bibliography as well as the first comprehensive discography of Guthrie's recordings through the present day *Arlo Guthrie The Warner Reprise Years* will appeal to popular music historians folk rock fans and readers interested in the American counterculture of the 1960s and 1970s **Stepping Stones** Jimmy Qualls, 2014-10-16 The reason this book was written was to bring more people to feel the love that our Savior has offered us all or strengthen the love that already exist between Too hopefully inspire some of us who have lost or veered from the eternal path of God to come back to the road that leads to a eternal home in Heaven To help us find that spiritual paradise that is in us all for it has already been prepared by our Creator and is within *The People* Kathleen Olson, 2020-11-13 Names Everyone has one in one form or another And every name has a meaning an origin and an address If you have ever been overwhelmed by names and need a scorecard to tell who is who then your Biblical who's who is here *The People* includes over 3 400 names Each name has a meaning a story and a place in scripture Some of the chapters in the Bible you never thought would make sense like Chronicles are sorted out and each name is explained What a blessing *Plagiarama!* Geoffrey Sanborn, 2016-03-08 William Wells Brown 1814 1884 was a vocal abolitionist a frequent antagonist of Frederick Douglass and the author of *Clotel* the first known novel by an African American He was also an extensive plagiarist copying at least 87 000 words from close to 300 texts In this critical study of Brown's work and legacy Geoffrey Sanborn offers a novel reading of the writer's plagiarism arguing the act was a means of capitalizing on the energies of mass cultural entertainments popularized by showmen such as P T Barnum By creating the textual equivalent of a variety show Brown animated antislavery discourse and evoked the prospect of a pleasurably integrated world Brown's key dramatic protagonists were the spirit of capitalization the unscrupulous double of Max Weber's spirit of capitalism and the beautiful slave girl a light skinned African American woman on the verge of sale and rape Brown's unsettling portrayal of these figures unfolded within a riotous patchwork of second hand texts upset convention and provoked the imagination Could a slippery upstart lay the groundwork for a genuinely interracial society Could the fetishized image of a not yet sold woman hold open the possibility of other destinies Sanborn's analysis of pastiche and plagiarism adds new depth to the study of nineteenth century culture and the history of African American literature suggesting modes of African American writing that extend beyond narratives of necessity and purpose characterized by the works of Frederick Douglass and others **The Rising Son** William Wells Brown, 1874 *Rising Son* Keith Murphy, 2023-02-09 *Rising Son* was written to encourage believers in their new creation identity Jesus is as sure and certain and powerful as the rising sun He is actually more certain and wants us to be concrete in our new creation identity He gave Himself for us expressing the value system of heaven toward us He shows
