The Fundamentals of Municipal Bonds The Bond Market Association, Judy Wesalo Temel, 2001-02-02 Praise for the Classic Guide to the Bond Market This is simply the most comprehensive useful look it up book on municipal bonds I ve ever read said with all due respect to The ABC of Municipal Bonds my dad wrote in 1937 when I was nine Read Fundamentals cover to cover I m keeping mine in my briefcase under my arm at my fingertips No accountant financial advisor attorney new bond salesman reporter regulator test writer cautious suspicious first time investor in municipal bonds ordinner guest is ever going to catch me again with a question about municipal bonds I can t answer Jim Lebenthal Chairman Lebenthal Co Judy Wesalo Temel gives us the Rosetta stone of the municipal bond market the key to unraveling the many mysteries of muni s Herbook a fresh take on the

old standard Fundamentals of Municipal Bonds updates chapter and verse on everything from investing to underwriting from over the counter to over the Internet. The style is clean, crisp, and as simple as this complex subject can be. Are you a novice who wonders how to invest in bonds? She lays out the basics. Examples are easy to follow, even the mathematical ones that are critical to explaining how municipal bonds work. At the same time, there is plenty of meat for the pros. Whether you need to start from square one and learn all about municipal bonds and how they work or need a ready reference for specific technical questions you run across as a market professional, this book is for you.

Kathleen Hays, Economics Editor, Credit Markets Reporter, and Bond Belle, CNBC. This is a must read for every scholar, banker, and public official concerned with local government finance in the United States.

Judy Wesalo Temel has done the impossible; she has clearly and insightfully explained how we finance the development of the nation's vital public infrastructure. This is an important book, one that will be required reading for professionals responsible for planning, designing, and evaluating publicly financed projects: the health care, transportation, and educational facilities that all citizens rely upon. The bond market is an essential element in the life of local and state government, and this book makes it understandable to all Americans.
