Ritual And Desire Catullus 61 62 Other Ancient Documents On Wedding Marriage

Ole Thomsen

Ritual And Desire Catullus 61 62 Other Ancient Documents On Wedding Marriage:

Ritual and Desire Ole Thomsen, 1992 Catullus two wedding poems contain important statements regarding the poet's personality Roman sexual morality attitudes to love and marriage and the practice and psychology of ancient religion This work subjects the two poems to detailed analysis and yields new insights into the ritual drama enacted the mythical and erotic dimensions and the depiction of male and female The poems are shown to be more provocative than is usually recognised marriage is conceived as eternal wedding night *The Discourse of Marriage in the Greco-Roman World* Jeffrey Beneker, Georgia Tsouvala, 2020-08-25 The famous polymath Plutarch often discussed the relationship between spouses in his works including Marriage Advice Dialogue on Love and many of the Parallel Lives In this collection leading scholars explore the marital views expressed in Plutarch's works and the art philosophy and literature produced by his contemporaries and predecessors Through aesthetically informed and sensitive modes of analysis these contributors examine a wealth of representations including violence in weddings and spousal devotion after death *The Discourse of Marriage in the Greco-Roman World* demonstrates the varying conceptions of an institution that was central to ancient social and political life and remains prominent in the modern world This volume will contribute to scholars understanding of the era and fascinate anyone interested in historic depictions of marriage and the role and status of women in the late Hellenistic and early Imperial periods *A Companion to Catullus* Marilyn B. Skinner, 2010-12-23 In this companion international scholars provide a comprehensive overview that reflects the most recent trends in Catullan studies Explores the work of Catullus one of the best Roman lyric poets Provides discussions about production genre style and reception as well as interpretive essays on key poems and groups of poems Grounds Catullus in the socio-historical world around him Chapters challenge received wisdom present original readings and suggest new interpretations of biographical evidence **Catullus and the Poetics of Roman Manhood** David Wray, 2001-09-06 This book applies comparative cultural and literary models to a reading of Catullus poems as social performances of a poetics of manhood a competitively often outrageously self-allusive bid for recognition and admiration Earlier readings of Catullus based on Romantic and Modernist notions of lyric poetry have tended to focus on the relationship with Lesbia and to ignore the majority of the shorter poems which are instead directed at other men Professor Wray approaches these poems in the light of more recent models for understanding male social interaction in the premodern Mediterranean placing them in their specifically Roman historical context while bringing out their strikingly postmodern qualities The result is an alternative way of reading the fiercely aggressive and delicately refined agonism performed in Catullus shorter poems All Latin and Greek quoted is supplied with an English translation **Explorations in Latin Literature: Volume 2, Elegy, Lyric and Other Topics** Denis Feeney, 2021-08-19 Denis Feeney is one of the most distinguished scholars of Latin literature and Roman culture in the world of the last half century These two volumes conveniently collect and present afresh all his major papers covering a wide range of topics and interests Ancient epic is a

major focus followed by Latin lyric historiography and elegy Ancient literary criticism and the technology of the book are recurrent themes Many papers address the problems of literary responses to religion and ritual with an interdisciplinary methodology drawing on comparative anthropology and religion The transition from Republic to Empire and the emergence of the Augustan principate form the background to the majority of the papers and the question of how literary texts are to be read in historical context is addressed throughout All quotations from ancient and modern languages have now been translated and Stephen Hinds has contributed a foreword

Catullus: Oxford Bibliographies Online Research Guide Oxford University Press,2010-05-01 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In classics as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is just one of many articles from Oxford Bibliographies Online Classics a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of classics Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

Sexuality in Greek and Roman Society and Literature Marguerite Johnson,Terry Ryan,2005 This Sourcebook contains numerous original translations of ancient poetry inscriptions and documents all of which illuminate the multifaceted nature of sexuality in antiquity The detailed introduction provides full social and historical context for the sources and guides students on how to use the material most effectively Themes such as marriage prostitution and same sex attraction are presented comparatively with material from the Greek and Roman worlds shown side by side This approach allows readers to interpret the written records with a full awareness of the different context of these separate but related societies Commentaries are provided throughout focusing on vocabulary and social and historical context This is the first major sourcebook on ancient sexuality it will be of particular use on related courses in classics ancient history and gender studies

The Cambridge Companion to Catullus Ian Du Quesnay,Anthony John Woodman,2021-04-29 Comprehensive coverage accessible to students and non specialists of one of the most popular poets of classical antiquity

Women and the Religion of Ancient Israel Susan Ackerman,2022-02-22 A synthetic reconstruction of women s religious engagement and experiences in preexilic Israel This monumental book examines a wealth of data from the Bible archaeology and ancient Near Eastern texts and iconography to

provide a clear comprehensive and compelling analysis of women's religious lives in preexilic times Carol Meyers Duke University Throughout the biblical narrative ancient Israelite religious life is dominated by male actors When women appear they are often seen only on the periphery as tangential accidental or passive participants However despite their absence from the written record they were often deeply involved in religious practice and ritual observance In this new volume Susan Ackerman presents a comprehensive account of ancient Israelite women's religious lives and experiences She examines the various sites of their practice including household shrines regional sanctuaries and national temples the calendar of religious rituals that women observed on a weekly monthly and yearly basis and their special roles in religious settings Drawing on texts archaeology and material culture and documenting the distinctions between Israelite women's experiences and those of their male counterparts Ackerman reconstructs an essential picture of women's lived religion in ancient Israelite culture

Sexuality in Greek and Roman Literature and Society Marguerite Johnson, 2004-08-02 This Sourcebook contains numerous original translations of ancient poetry inscriptions and documents all of which illuminate the multifaceted nature of sexuality in antiquity The detailed introduction provides full social and historical context for the sources and guides students on how to use the material most effectively Themes such as marriage prostitution and same sex attraction are presented comparatively with material from the Greek and Roman worlds shown side by side This approach allows readers to interpret the written records with a full awareness of the different context of these separate but related societies Commentaries are provided throughout focusing on vocabulary and social and historical context This is the first major sourcebook on ancient sexuality it will be of particular use on related courses in classics ancient history and gender studies

Unveiling the Energy of Verbal Beauty: An Emotional Sojourn through **Ritual And Desire Catullus 61 62 Other Ancient Documents On Wedding Marriage**
