Serving To Learn Learning To Serve Civics And Service From A To Z:

Serving to Learn, Learning to Serve Cynthia Parsons,1995-10 A major theme of education reform in the United States is that schools should prepare students to live in a democratic society To this end service learning is designed to encourage young people to become responsible caring citizens At present however service learning tends to be restricted to assigning students to community service projects In this book Cynthia Parsons argues that service learning should be regarded as part of not additional to school requirements She offers a range of alternative curriculum based examples of service learning to broaden the understanding and scope of this reform principle Service Sociology and Academic Engagement in Social Problems A. Javier Treviño,Karen M. McCormack,2016-04-01 This book challenges sociologists and sociology students to think beyond the construction of social problems to tackle a central question What do sociologists do with the analytic tools and academic skills afforded by their discipline to respond to social problems Service Sociology posits that a central role of sociology is not simply to analyse and interpret social problems but to act in the world in an informed manner to ameliorate suffering and address the structural causes of these problems This volume provides a unique contribution to this approach to sociology exploring the intersection between its role as an academic discipline and its practice in the service of communities and people With both contemporary and historical analyses the book traces the legacy characteristics contours and goals of the sociology of service shedding light on its roots in early American sociology and its deep connections to activism before examining the social context that underlies the call for volunteerism community involvement and non profit organisations as well as the strategies that have promise in remedying contemporary social problems Presenting examples of concrete social problems from around the world including issues of democratic participation poverty and unemployment student involvement in microlending disaster mitigation the organization and leadership of social movements homelessness activism around HIV AIDS and service spring breaks Service Sociology and Academic Engagement in Social Problems explores the utility of public teaching participatory action research and service learning in the classroom as a contribution to the community *Creative Writing Pedagogies for the Twenty-First Century* Alexandria Peary,Tom C Hunley,2015-05-22 The creative writing workshop has long been entrenched as the primary pedagogy of creative writing classes This book offers twelve different approaches to the teaching of creative writing to supplement or replace traditional workshop pedagogy Contributors are from both creative writing and composition studies a discipline rich with a wide range of established pedagogies *Resources in Education* ,1997 Voices of Strong Democracy David Droge,Bren Ortega Murphy,2023-07-03 Eleventh in AAHE and Campus Compact s series on service learning in the disciplines this book focuses on incorporating service learning in communication one of the fastest growing disciplines in higher education The first part provides a strong argument on why service learning should be part of the communication curriculum while the second part dramatically demonstrates the ways in which service learning has a natural affinity for the communication discipline **Projects That Matter** Edmund Tsang,2023-07-03 This book

represents the 14th in the Service Learning in the Disciplines Series and concentrates on how service learning can be successfully incorporated in engineering programs a discipline to which is it relatively new Contributors to the volume are experienced in using service learning and address issues of concern to engineering educators As one peer reviewer commented The audience for this book is the engineering education community that community will expect practical applications of the theory that will lead to improved engineering education Bulletin ,1936 **Forthcoming Books** Rose Army,1996-06 **Resources in Education** ,1996 Building Bridges Rahima C. Wade,2000 This book which offers teaching suggestions at the elementary middle and high school levels features a diverse array of service learning projects Topics include AIDS awareness community planning shelters for the homeless and marine environmental activism An informative overview of the history of service learning is also included along with an outline of the challenges that the service learning movement must address to thrive in the new millennium *Current Index to Journals in Education* ,1998
