This Is Rhythm Gayle F. Wald, 2025-04-10 The remarkable life story of Ella Jenkins The First Lady of Children's Music Ella Jenkins was one of the most influential musicians of the twentieth century Her songs You'll Sing a Song and I'll Sing a Song and Who Fed the Chickens are classics in the world of children's music In a career spanning more than sixty years she recorded forty albums won a lifetime achievement Grammy and became the best selling individual artist in the history of Smithsonian Folkways Records the independent label that played a significant role in the 1960s folk revival movement and introduced listeners to Woody Guthrie and Pete Seeger During her remarkable career Jenkins joined forces with twentieth century luminaries such as Odetta Big Bill Broonzy Armando Peraza Bayard Rustin and Fred Rogers Despite her wide reaching influence on children's music Ella Jenkins's sonic civil rights activism isn't widely known today Based on dozens of interviews and access to Ella Jenkins's personal archives Gayle F Wald's *This Is Rhythm* shares how Jenkins a rhythm specialist with no formal musical training became the most prolific and significant American children's musician of the twentieth century creating a beloved catalog of songs grounded in values of community building antiracism and cultural pluralism Wald traces how the daughter of southern migrants translated the music of her own Black girlhood on the South Side of Chicago into a form of civil rights activism a musical education that empowered children by introducing them to Black history African diasporic rhythms and a participatory community centered approach to music Wald also discusses how beginning in 1961 Jenkins built a life with a female partner who supported her materially and emotionally Although Jenkins did not talk publicly about her sixty three year relationship she opened up to Wald offering insight into how a private Black woman in the public eye negotiated sexuality in an era before gay and lesbian liberation movements Throughout her career her innovative music found its way into thousands of community centers classrooms and concert venues and her call and response method has influenced and empowered generations of children and adults A beautifully written tribute to Ella Jenkins's legacy this biography illustrates her impact on children's music and expands our understanding of folk music's relationship with social justice Jenkins used music to build a new world in which children and adults are encouraged to listen to each other's distinct rhythms

Why Multimodal Literacy Matters Rachel Heydon, Susan O'Neill, 2016-11-25 Literacy research has focused increasingly on the social cultural and material remaking of human communication Such research has generated new knowledge about the diverse and interconnected modes and media through which people can and do make meaning and opened up definitions of literacy to include image gaze gesture print speech and music And yet despite all of the attention to multimodality questions remain that are fundamental to why multimodal literacy might matter to people and their communities How for instance might multimodal literacy be implicated in wellbeing And what of the little researched sonic in multimodal ensembles For centuries singing as a basic form of human

communication and tool for teaching and learning has been used to share knowledge and pass on understandings of the world from one generation to another What however are the implications of singing and its effects on people s prospects for learning and making meaning together In this thought provoking book the authors explore notions of wellbeing and what is created when skipped generations are brought together through singing infused multimodal intergenerational curricula They argue for the import of singing as a multimodal literacy practice and unite theoretical ideas practical tools and empirical research findings from a ground breaking seven year study of intergenerational singing in multimodal curricula Educators and researchers alike will find in the pages of this interdisciplinary book responses to the question of why multimodal literacy might matter and a sample curriculum designed to foster the expansion of people s literacy and identity options across the lifespan div

The Culture of Feedback Daniel Belgrad, 2019-08-30 When we want advice from others we often casually speak of getting some feedback But how many of us give a thought to what this phrase means The idea of feedback actually dates to World War II when the term was developed to describe the dynamics of self regulating systems which correct their actions by feeding their effects back into themselves By the early 1970s feedback had become the governing trope for a counterculture that was reoriented and reinvigorated by ecological thinking The Culture of Feedback digs deep into a dazzling variety of left of center experiences and attitudes from this misunderstood period bringing us a new look at the wild side of the 1970s Belgrad shows us how ideas from systems theory were taken up by the counterculture and the environmental movement eventually influencing a wide range of beliefs and behaviors particularly related to the question of what is and is not intelligence He tells the story of a generation of Americans who were struck by a newfound interest in and respect for plants animals indigenous populations and the very sounds around them threading his tapestry with cogent insights on environmentalism feminism systems theory and psychedelics The Culture of Feedback repaints the familiar image of the 70s as a time of Me Generation malaise to reveal an era of revolutionary and hopeful social currents driven by desires to radically improve and feed back into the systems that had come before

Decoding **Sesame Street Makes Music**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring.
