remote island of Corsica he rose to prominence in the turbulent years following the French Revolution when most of Europe was arrayed against France Through a string of brilliant and improbable victories gained as much through his remarkable ability to inspire his troops as through his military genius Napoleon brought about a triumphant peace that made him the idol of France and later its absolute ruler Heir to the Revolution Napoleon himself was not a revolutionary rather he was a reformer and a modernizer both liberator and autocrat Looking to the Napoleonic wars that raged on the one hand and to the new social order emerging on the other Horne incisively guides readers through every aspect of Napoleon's two decade rule from France's newfound commitment to an aristocracy based on merit rather than inheritance to its civil code Napoleon's most important and enduring legacy to censorship cuisine the texture of daily life in Paris and the influence of Napoleon abroad At the center of Horne's story is a singular man one whose ambition willpower energy and ability to command changed history and continues to fascinate us today

Paris Paul N. Balchin, 2023-02-14 This book offers a new perspective on French architecture describing the impact of political history on the architectural development of Paris Through various stages in history from the Roman to the Medieval Renaissance and Early Modern and Modern Paris The Shaping of the French Capital shows how the immense political power of monarchs the aristocracy and church determined the pace and volume of building in Paris and the extent of town planning Whereas many other great cities owe their historic importance to trade and to local government the City of London being a supreme example these attributes were largely absent in Paris throughout most of its history it didn't even have a mayor Arguably because of this gradually over the centuries the French capital emerged as one of the world's most beautiful cities and now is a metropolis with a population in excess of 2 million
