Sex And Real Estate Why We Love Houses:

Sex and Real Estate Marjorie B. Garber, 2000 Using high low popular culture Garber crafts a study of how we relate to ideas of home house both in fact in fantasy Sex and Real Estate Marjorie Garber, 2001-09-18 Cultural historian Marjorie Garber offers incisive and witty commentary on what men and women today really want in her enlightening study of what may be the most meaningful relationship any of us will ever have Real estate has become a form of yuppie pornography Hopes of summer romance have given way to hopes of summer homes and fantasies of Romeo have been replaced by fantasies of remodeling Even real estate ads are flirtatious in their offers of bedrooms that are sensuous and sinks that are seductive Thus the house you live in like the partner you choose can be everything from your beloved to your dream to a status symbol trophy Marjorie Garber has fashioned a uniquely fascinating book that is as provocative as it is pleasurable as erudite as it is entertaining one sure to make readers consider more closely the rooms in which they live The Apartment Complex Pamela Robertson Wojcik, 2018-09-13 From the bachelor pad that Jack Lemmon's C. C. Baxter loans out to his superiors in Billy Wilder's *The Apartment* 1960 to the crumbling tenement in a dystopian Taipei in Tsai Ming-liang's *The Hole* 1998 the apartment in films and television series is often more than just a setting it can motivate or shape the narrative in key ways Such works belong to a critical genre identified by Pamela Robertson Wojcik as the apartment plot which comprises specific thematic visual and narrative conventions that explore modern urbanism's various forms and possibilities In *The Apartment Complex* a diverse group of international scholars discuss the apartment plot in a global context examining films made both within and beyond the Hollywood studios The contributors consider the apartment plot's intersections with film noir horror comedy and the musical addressing how different national or historical contexts modify the apartment plot and how the genre's framework allows us to rethink the work of auteurs and identify productive connections and tensions between otherwise disparate texts Contributors Steven Cohan Michael DeAngelis Veronica Fitzpatrick Annamarie Jagose Paula J. The Common Place Peter King, 2018-01-18 Much of what constitutes our experience of our immediate environment is quite ordinary and familiar in particular where we live While policymakers and academics are constantly seeking transformations in housing what we seek from our own housing is stability and lack of change We seek secure roots to our lives rather than step changes and radical reform This book considers this ordinary experience of housing and how we come to depend upon it The notion of the ordinary is used to argue against the conceits of policymaking and the fetish for domestic design Using a variety of methods such as critical analysis and film criticism looking at the work of film makers as diverse as Bergman Dreyer Shyamalan Tarkovsky Tati and the Wachowski Brothers it provides an original impressionistic view of the role housing plays in our lives

Shakespeare in the Theatre: The American Shakespeare Center Paul Menzer,2017-02-23 The original Blackfriars closed its doors in the 1640s ending over half a century of performances by men and boys In 2001 in the Shenandoah Valley of Virginia it opened once again The reconstructed Blackfriars home to the American Shakespeare Center represents an old playhouse for the new millennium and therefore symbolically registers the permanent revolution in the performance of Shakespeare Time and again the industry refreshes its practices by rediscovering its own history This book assesses how one American company has capitalised on history and in so doing has forged one of its own to become a major influence in contemporary Shakespearean theatre

Three Kinds of Motion Riley Hanick,2015-03-23 A freewheeling journey through midcentury America as art literature and the interstate highway system intersect In 1943 Peggy Guggenheim commissioned a mural from Jackson Pollock to hang in the entryway of her Manhattan townhouse It was the largest Pollock canvas she would ever own and four years later she gave it to a small Midwestern institution with no place to put it When the original scroll of On the Road goes

on tour across the country it lands at the same Iowa museum housing Peggy's Pollock revitalizing Riley Hanick's adolescent fascination with the author. Alongside these two narrative threads Hanick revisits Dwight D. Eisenhower's quest to build America's first interstate highway system. When catastrophic rains flood the Iowa highways they also threaten the museum and its precious mural. In *Three Kinds of Motion*, his razor sharp, funny and intensely vulnerable book length essay, Hanick moves deftly between his three subjects and delivers a story with breathtaking ingenuity. He gravitates toward the unexpected and the poignant. We see Eisenhower painting Kerouac confined to a naval hospital after running naked across a drill field and Pollock babysitting for the offspring of his mentor Thomas Hart Benton. Hanick creates arresting juxtapositions in the mode of such kindred innovative essayists as John D. Agata, Ander Monson and Lia Purpura. Booklist. Like a great conversationalist, Hanick paints a generous canvas and I rode the length of this powerful book much like I first experienced the American interstate songs on the stereo, windows down and the bittersweet sense that youth is fleeting. *Three Kinds of Motion* holds open a wild and beautiful journey not to be missed.
