Underlying their arguments are perennial debates What kind of marital sex qualifies as ideal sacred self control of sexual desire or the holiness found in emotional and erotic intimacy Is intercourse degrading in its physicality or the highest act of spiritual mystical union And should women or men or both wield ultimate say about what transpires in bed Noam Sachs Zion guides us chronologically and steadily through fraught terrain seminal biblical texts and their Talmudic interpretations Talmud tales of three unusual rabbis and their marital bedrooms medieval codifiers and mystical commentators ultra Orthodox rabbis clashing with one another over radically divergent ideals and finally contemporary rabbis of varied denominations wrestling with modern transformations in erotic lifestyles and values Invited into these sanctified and often sexually explicit discussions with our ancestors and contemporaries we encounter innovative Jewish teachings on marital intimacy ardent lovemaking techniques and the art of couple communication vital for matrimonial success
