

DEXTER GORDON LONG TALL DEXTER

THE SAVOY SESSIONS

Dexter Gordon is, of course, the man who first created an authentic bebop style on the tenor saxophone. He is also the man who profoundly influenced young John Coltrane (the roots of what became Coltrane's characteristic modality are plainly evident in Dexter's unusual and very personal harmonic accents) and, to a lesser but still significant degree, Sonny Rollins. But above and beyond such historical credits, Dexter Gordon is one of the great players in jazz, a man who makes music that is vital, direct and emotionally satisfying. This collection of some of his earliest recordings shows that from the start, Dexter was a great communicator. They stand up as music, not just as history.
