Long View Personal Perspective On World:

Cinemas of the World James Chapman, 2004-06-03 The cinema has been the pre eminent popular art form of the 20th century In *Cinemas of the World* James Chapman examines the relationship between film and society in the modern world film as entertainment medium film as a reflection of national cultures and preoccupations film as an instrument of propaganda He also explores two interrelated issues that have recurred throughout the history of cinema the economic and cultural hegemony of Hollywood on the one hand and on the other the attempts of film makers elsewhere to establish indigenous national cinemas drawing on their own cultures and societies Chapman examines the rise to dominance of Hollywood cinema in the silent and early sound periods He discusses the characteristic themes of American movies from the Depression to the end of the Cold War especially those found in the western and film noir genres that are often used as vehicles for exploring issues central to us society and politics He looks at national cinemas in various European countries in the period between the end of the First World War and the end of the Second which all exhibit the formal and aesthetic properties of modernism The emergence of the so called new cinemas of Europe and the wider world since 1960 are also explored Chapman is a tough thinking original writer an engaging excellent piece of work David Lancaster Film and History

The Art of the Long View Peter Schwartz, 1996-04-15 What increasingly affects all of us whether professional planners or individuals preparing for a better future is not the tangibles of life bottom line numbers for instance but the intangibles our hopes and fears our beliefs and dreams Only stories scenarios and our ability to visualize different kinds of futures adequately capture these intangibles In *The Art of the Long View* now for the first time in paperback and with the addition of an all new User s Guide Peter Schwartz outlines the scenaric approach giving you the tools for developing a strategic vision within your business Schwartz describes the new techniques originally developed within Royal Dutch Shell based on many of his firsthand scenario exercises with the world s leading institutions and companies including the White House EPA

BellSouth PG E and the International Stock Exchange **Longer Views** Samuel R. Delany, 2016-03-15 Six essays from the critic and award winning author exploring topics such as theater LGBTQ scholarship cyborgs metaphors and Star Wars Reading is a many layered process like writing observes Samuel R Delany a Nebula and Hugo Award winning author and a major commentator on American literature and culture In this collection of six extended essays Delany challenges what he calls the hard edged boundaries of meaning by going beyond the customary limits of the genre in which he s writing By radically reworking the essay form Delany can explore and express the many layers of his thinking about the nature of art the workings of language and the injustices and ironies of social political and sexual marginalization Thus Delany connects in sometimes unexpected ways topics as diverse as the origins of modern theater the context of lesbian and gay scholarship the theories of cyborgs how metaphors mean and the narrative structures in the Star Wars trilogy Over the course of his career Kenneth James writes in his extensive introduction Delany has again and again thrown into question the world models that all

too many of us unknowingly live by Indeed Delany challenges an impressive list of world models here including High and Low Art sanity and madness mathematical logic and the mechanics of mythmaking the distribution of wealth in our society and the limitations of our sexual vocabulary Also included are two essays that illustrate Delany's unique chrestomathic technique the grouping of textual fragments whose associative interrelationships a reader must actively trace to read them as a resonant argument Whether writing about Wagner or Hart Crane Foucault or Robert Mapplethorpe Delany combines a fierce and often piercing vision with a powerful honesty that beckons us to share in the perspective of these Longer Views An intellectually adventurous book Every page of every essay here rewards a second reading and a third Delany has a fearsomely stocked intellect and a wider range of experience than most writers can even imagine He is brilliant driven prolific The Nation One of science fiction's grand masters Delany's elegant command of language and deep insight into other authors' works are delightful to behold Booklist Rare personal frankness and stunning erudition Recommended for readers who enjoy the challenge of being led into remote regions of a gifted mind Library Journal *Film and History* James Chapman, 2017-09-16 Film is the pre eminent mass medium of the modern age It is a valuable source of evidence for the study of both the past and the contemporary world and is a social practice that has affected the lives of millions How can historians engage with this important and influential medium Written for both students and teachers Film and History provides a concise accessible introduction to the use of film in historical enquiry and a summary of the main theoretical debates Charts the development of film history as a subject area and a discipline in its own right Considers different approaches to film history including film as an art form as ideology as a historical source and as a social practice Includes case studies to ground discussion of theories and approaches in specific examples Wide ranging and authoritative Film and History equips students with the methods both to analyse film texts and to understand the place of film in history and culture

Mimetic Theory and World Religions Wolfgang Palaver, Richard Schenk, 2017-11-01 Those who anticipated the demise of religion and the advent of a peaceful secularized global village have seen the last two decades confound their predictions Ren Girard's mimetic theory is a key to understanding the new challenges posed by our world of resurgent violence and pluralistic cultures and traditions Girard sought to explain how the Judeo Christian narrative exposes a founding murder at the origin of human civilization and demystifies the bloody sacrifices of archaic religions Meanwhile his book *Sacrifice* a reading of conflict and sacrificial resolution in the Vedic Brahmanas suggests that mimetic theory's insights also resonate with several non Western religious and spiritual traditions This volume collects engagements with Girard by scholars of Judaism Christianity Islam Hinduism and Buddhism and situates them within contemporary theology philosophy and religious studies

Rethinking Religion and Politics in a Plural World Julia Berger, 2021-01-14 In this book Julia Berger examines internal meaning making structures and processes driving NGO behavior identifying constructs from within a religious tradition that forge new ways of pursuing social change She evaluates the operation of a distinct rationality arguing that action is guided not simply by beliefs and values but also by a combination of elements so intrinsic as to constitute an organizational DNA These hidden structures and rationalities manifest themselves in new modes of engagement and agency they help us to see the pivotal role of religion in shaping notions of peace progress and modernity To demonstrate the operation and salience of such a rationality Berger draws on the example of the worldwide Baha'i community Emerging in 19th century Iran the community's theological engagement with questions of justice the unity of humankind and the emerging global order constitute one of the most distinct and compelling yet least researched examples of religious engagement with the pressing questions of our time Analyzing events spanning a 75 year period from 1945 to 2020 this book provides a unique historical and contemporary perspective on the evolving role of religion and civil society in the modern world

The Challenge of World Theatre History Steve Tillis, 2020-09-19 The future of theatre history studies

requires consideration of theatre as a global phenomenon The Challenge of World Theatre History offers the first full scale argument for abandoning an obsolete and parochial Eurocentric approach to theatre history in favor of a more global perspective This book exposes the fallacies that reinforce the conventional approach and defends the global perspective against possible objections It moves beyond the conventional nation based geography of theatre in favor of a regional geography and develops a new way to demarcate the periods of theatre history Finally the book outlines a history that recognizes the often connected developments in theatre across Eurasia and around the world It makes the case that world theatre history is necessary not only for itself but for the powerful comparative and contextual insights it offers to all theatre scholars and students whatever their special areas of interest
