Long Way From Home:

A Long Way from Home Pat Sandiford Grygier, 1997-03-27 A comprehensive account of the tuberculosis epidemic among the Inuit in the mid part of the century The Inuit were victims not only of the epidemic but also of the Canadian government's shockingly slow response and lack of concern for their culture Grygier's focus is on patients' experiences and the programs set up to deal with the epidemic rather than on a purely medical discussion of the disease and treatment
