Long Year A D 69:

AD69 Nic Fields,2014-03-31 The author of God s Viking brings to life a period in Roman history that provides many twists and turns as Rome emerged from the period of rule by Nero Firetrench With the death of Nero by his own shaky hand the ill sorted ill starred Julio Claudian dynasty came to an ignominious end and Rome was up for the taking This was 9 June AD 68 The following year commonly known as the Year of the Four Emperors was probably one of Rome s worst In all previous successions the new emperor had some relation to his predecessor but the psychotic and paranoid Nero had done away with any eligible relatives The new emperor had to secure his legal position and authority with regards to the Senate and to the army as well as to those who had a vested interest in the system the Praetorian Guard Because imperial authority was ultimately based on control of the military a player in the game of thrones had to gain an unshakable command over the legions Of course this in turn meant that the soldiers themselves could impose their own choice It was to take a tumultuous year of civil war and the death of three imperial candidates before a fourth candidate could come out on top remain there and establish for himself a new dynasty Nic Fields narrates the twists and turns and the military events of this short but bloody period of Roman history We appear to meet more people than the cast of Game of Thrones with about the same mortality rate but with the added bonus of this being history not fiction hugely entertaining Miniature Wargames Magazine

Egypt, Greece, and Rome Charles Freeman,2014-03 Regarded as one of the best general histories of the ancient world it is written for the general reader and the student coming to the subject for the first time and provides a reliable and highly accessible point of entry to the period The 3rd edition has been extensively revised with several chapters rewritten and a wealth of new material added Annals and Histories Tacitus,2009-10-06 The complete historical works of the greatest chronicler of the Roman Empire in a wholly revised and updated translation A brilliant narrator and a master stylist Tacitus served as administrator and senator a career that gave him an intimate view of the empire at its highest levels and of the dramatic violent and often bloody events of the first century In the Annals he writes about Augustus Caesar s death and observes the inner workings of the courts of the emperors Tiberius and Nero In the Histories he describes an empire in tumult four emperors reigning in one year each overthrown by the next The Agricola a biography of Tacitus s father in law Julius Agricola the most celebrated governor of Roman Britain is the first detailed account of the island that would eventually rule over a quarter of the earth And in the Germania the famed warrior barbarians of ancient Germany come richly to life

Dio: the Julio-Claudians Jonathan Edmondson,2023-10-19 Selections from Cassius Dio s account of the Julio Claudians in new English translations to support ancient history students **The Romans and Their World** Brian Campbell,2020-10-07 A concise and accessible account of one of the largest longest lasting and most influential empires in world history ancient Rome This one volume history of the Roman world begins with the early years of the republic and carries the story nearly a thousand years forward to 476 when Romulus Augustus the last Western Roman emperor was

deposed Brian Campbell respected scholar and teacher presents a fascinating and wide ranging introduction to Rome drawing on an array of ancient sources and covering topics of interest to readers with little prior background in Roman history as well as those already familiar with the great civilization Campbell explores several themes including the fall of the republic the impact of colorful and diverse emperors on imperial politics the administrative structure of empire and the Roman army and how warfare affected the Roman world He also surveys cultural and social life including religion and the rise of Christianity Generously enhanced with maps and illustrations this book is a rich and inspiring account of a mighty civilization and the citizens who made it so A lucid survey of Roman history Adam Kirsch New Yorker One of the great joys of Campbell s unfailingly readable account is the readiness with which it returns to the Roman record drawing on ancient sources to give a lively and immediate feel for Roman life and culture Michael Kerrigan Scotsman Campbell masterfully discusses military affairs as expected from this scholar Excellent translations of ancient sources enliven the text Rare will be the scholar who also does not learn from Campbell P B Harvey Jr Choice *The Dragon and the Eagle* Sunny Auyang,2014-12-18 This stimulating uniquely organized and wonderfully readable comparison of ancient Rome and China offers provocative insights to students and general readers of world history The book s narrative is clear completely jargon free strikingly independent and addresses the complete cycles of two world empires The topics explored include nation formation state building empire building arts of government strategies of superpowers and decline and fall Roman Special Forces and Special Ops Simon Elliott,2023-06-30 Much has been written about the Roman army and the mighty legions that conquered their empire and then defended it for centuries against all comers But little has been written about the men and units employed when something more subtle than the march of legions into pitched battle was required This is the only book available dedicated to Roman special ops and the role of the Speculatores Exploratores Protectores and Areani Simon Elliott reveals the kinds of special operations conducted by the Romans tactical scouting ahead of the legions covert strategic reconnaissance in neighboring states espionage assassination or abduction of dissidents and enemies counter insurgency and close protection of Roman officials and commanders While such missions were frequently executed by ad hoc units or individuals detailed for that specific mission the author goes on to reveal the evidence for the aforementioned specialist units He concludes with an analysis of the extent to which these various forces corresponded to a modern conception of Special Forces These men were the eyes and ears of the Empire the deadly tip of the Roman sword *The Oxford Illustrated History of the Roman World* John Boardman,Jasper Griffin,Oswyn Murray,2001-01-18 This book tells the story of the rise of Rome from its origins as a cluster of villages to the foundation of the Roman Empire by Augustus and its consolidation in the first two centuries AD It also discusses some aspects of the later Empire and its influence on western civilizations not least through the adoption of Christianity **The Oxford History of the Roman World** John Boardman,Jasper Griffin,Oswyn Murray,2001-09-27 In less than fifty three years Rome subjected most of the known world to

its rule This authoritative and compelling work tells the story of the rise of Rome from its origins as a cluster of villages to the foundation of the Roman Empire by Augustus to its consolidation in the first two centuries CE It also discusses aspects of the later Empire and its influence on Western civilization not least of which was the adoption of Christianity Packed with fascinating detail and written by acknowledged experts in Roman history the book expertly interweaves chapters on social and political history the Emperors art and architecture and the works of leading Roman poets historians and philosophers Reinforcing the book s historical framework are maps diagrams a useful chronology and a full bibliography Taken as a whole this rich work offers an indispensable resource on the history of one of the world s greatest empires

The Histories
Cornelius Tacitus, 1999 The story I now commence is rich in vicissitudes grim with warfare torn by civil strife a tale of horror even during times of peace Edward Gibbon called *The Histories* an immortal work every sentence of which is pregnant with the deepest observations and the most lively images Its author Cornelius Tacitus widely acknowledged as the greatest of all Roman historians describes with cynical power the murderous Year of the Four Emperors AD 69 when in just a few months the whole of the Roman Empire was torn apart by civil war The ultimate triumph of Vespasian and his sons Titus and Domitian was only the prelude to further conflicts and disasters with revolts among the Germans and Jews challenging the very foundations of Roman authority W H Fyfe s classic translation has been substantially revised to accord with modern scholarship and supplied with extensive historical and literary notes The Introduction provides an essential guide to understanding the subtleties of Tacitus writing and sets the historical scene with a succinct account of the political and social background to the Imperial Roman state Maps of the Roman Empire and a Glossary of Place Names complete this valuable edition

Decoding **Long Year A D 69**: Revealing the Captivating Potential of Verbal Expression
