Valley of Death William Bebb,2014-09-08 Just a few miles outside of Albuquerque New Mexico in a remote valley something has gone horribly wrong To their eternal regret some people have mistaken the screams echoing in the hills as coyotes singing to the moon When Josey drives his truck down into the valley he quickly learns the disturbing truth It s not coyotes howling It s men or what used to be men Josey discovers that the valley is home to the depraved the noble the damned the innocent the beautiful and of course the walking dead When the least dangerous thing you encounter is an angry rattlesnake you know you ve made a wrong turn at Albuquerque Nestled in a remote valley the residents of The Albuquerque Springs Trailer Park have lived out there lives nearly forgotten by the rest of the world The trailer park is home to dozens of illegal immigrants a hermit who has turned his back on society a veteran of World War 2 a grumpy old woman a family of Meth cooks known to local police officials as the Redneck Gourmets and a beautiful young woman are just a few Life was peaceful and quiet actually quite boring until a deadly industrial accident killed Juan one of the illegal immigrants His friends and neighbors promised to dispose of the victim s body Unfortunately he came back and disposed of them one mouthwatering bite at a time *The Valley of Death* Garry Douglas Kilworth,2011-10-06 Sergeant Jack Crossman s second adventure finds him still in the heat of battle in the Crimea Having survived a dangerous covert mission in The Devil s Own the man known to his comrades as Fancy Jack now faces new horrors at the Battle of Balaclava In the confusion of the conflict Jack witnesses the carnage during the hopeless and tragic charge of the Light Brigade when more than six hundred British cavalry troops charged Russian gun emplacements mistakenly following orders that as they were passed down the chain of command had been misinterpreted Kilworth s rousing narrative of courage on the field and his vivid descriptions of the horrifying realities of the Crimean campaign are related with verve and meticulous historical detail in the spirit of the great military adventures *Into the Valley of Death* Nick Thomas,2021-06-09 Unique work that details the status of each man known to have taken an active part in the Charge listing the evidence supporting their case for inclusion among the ranks of the immortal Light Cavalry Brigade Into the Valley of Death tells the thrilling story of the Charge of the Light Brigade in the words of the men who fought during the most heroic and yet futile engagement of the modern era By drawing

on key evidence the author has not only provided a clear narrative of the events leading up to the 25th October 1854 but has painted a vivid picture of the Charge itself No punches are pulled and the carnage which ensued is clear for all to read dispelling the romantic myth of death or glory fostered by the Victorians This work tells the blood and guts story of a desperate charge by 673 men in the face of what seemed insurmountable odds It reveals the trauma endured by the rank and file who witnessed all around them men and horses cut to pieces while endeavoring to ride through walls of flying iron and lead and not knowing if the next second would be their last Yet in the midst of this horror and devastation the author takes time to give an overview of the battle itself and puts on the hats of some of the commanders involved looking at not only what they did but also at how a terrible disaster could so easily have been turned into the greatest single victory of its time Could such an apparently mad cap charge have succeeded Did sufficient men arrive at the guns to successfully capture them Were there troops and close support that could have been utilized to drastically change the course of events Could a simple stalling tactic have allowed these resources to have been fully exploited All of these questions are answered This work truly lifts the lid on the events of over 150 years ago and through the words of the survivors allows the reader to assign the responsibility for the Charge having taken place and for the consequent loss of the Light Brigade Valley of Death P R
