must also defend And as fate would have it there was an ever greater danger lurking in those trees Old enemies surface and ancient grudges come to light as a new player enters the field One that could bring ruin to them all One whose intentions are never quite what they seem The newfound fellowship is shaken to the core but as they are constantly reminded time is not on their side Other places in the realm have felt the burn of the dragon A strange change is coming over the land creeping like a shadow silent as a dream With no kingdoms there to stop it no massing armies to fight back such a darkness could consume them The friends need answers But will they get them in time BEGINNING S END SERIES Beginnings Curiosity Scrutiny Foresight Disavow Trickery Wisdom Decree Influence Prevail Dignified Honored     *Healing Stories* Jacqueline Golding,2006-08-08 With over 500 hand picked titles Healing Stories recommends carefully selected books essential for any adult looking to help children cope with their growing pains through reading Annotated with helpful commentary these titles cover everything from kids everyday trials losing baby teeth starting school having a bad day to more emotionally stressful events death of a pet moving illness giving adults all the information they need to choose the right books Also features useful tips to make reading fun and helpful for both adults and children For more information visit the Healing Stories Web site
