everything an educator working in a school or museum in person or online needs to develop experiences that encourage close looking spark the imagination and support the development of critical thinking skills Sharon Vatsky looks at the entire tour experience including planning facilitation and reflection By providing a flexible tour planning template jointly developed by the education departments of the Guggenheim Museum Metropolitan Museum of Art Museum of Modern Art and Whitney Museum of American Art this book clearly articulates strategies and advice for the educator who wants to facilitate inquiries that encourage participants to think together and think deeply To demonstrate the flexibility and adaptability of the tour planning template museum educators with deep experience specializing in working with diverse audiences share how they adjust the tour planning template to accommodate the attributes and strengths of the visitors they work with most closely These accommodations to the template include ways to support family learning school tours virtual tours promote social and emotional learning work effectively with students with autism adults with low vision and blindness and adults with Alzheimer's disease and other dementias These contributions are included to demonstrate that the tour planning template can be adjusted to support the varied abilities and learning styles of multiple audiences Features include An insider's guide to tour planning featuring advice and strategies from museum educators across the U S A tested tour planning template that is adaptable and flexible for multiple audiences How to identify tour themes that work and those that don't What makes for effective object selection and sequencing How to encourage and facilitate productive discussions Inserting the right factual and contextual information at the right time Multi modal activities for in person and online participation Adapting your tour plans for varied audiences including families school groups virtual groups and more *Art of the Western World* Bruce Cole, Adelheid M. Gealt, 1991-12-15 With fresh insight into what the great works meant when they were created and why they appeal to us now here is a vivid tour of painting sculpture and architecture past and present Illuminating a notable accomplishment *The New York Times Illustrated* **I'm Not an Artist** Giovanni Aloï, 2025-01-23 Romanticized notions of how one becomes an artist have long been questioned so why do we still fetishize them in popular culture turning a blind eye to the politics of exclusionism that characterize the art world and conforming our creative potential to well trodden stereotypes *I'm Not an Artist* is a critical appraisal of the role of the artist through time and an account of how successful artists have conquered their spot in the history of art from the rise of the Renaissance artist star to the multiplicity of artistic identities we see in the creative landscape today Entertaining informative and packed with important but lesser known stories about how artists became famous it examines the cultural importance of the professional label artist and invites readers to give up the artist myth in order to rediscover creativity beyond the stronghold of institutions markets trends and cultural clichés It's a book about art artists art history and the art market as well as the role creativity plays in our lives and how outdated power structures and professional labels are a hindrance to unlocking creative potential Openly engaging with the contradictions and paradoxes that currently define the relationship between artists the education system and the art

market the book proposes an eco cultural model that can allow artists to reconfigure their identities and in the process tilt the artworld's axis. By turns a critical framework for examining what constitutes the term artist, an alternative art historical account, and a no-holds-barred guide to how the art world really works, this boundary-breaking book challenges existing practices, methodologies, and metrics of success, calling for a fairer art world that is non-elitist and multicultural. It allows readers to critically position themselves in today's art world in a clear, ethically grounded, and responsible way.
