Looking for Love in Strange Places: A Memoir for My Stepdaughters Diana Page, 2016-02-18 Back in 1968 Diana Page was going to graduate from the University of Michigan without much hope for marriage or a career. She didn't have a boyfriend, so a prospective husband was unlikely to materialize before the semester ended, and a bachelor's in political science wasn't going to make her easily employable. The solution? Join the Peace Corps where she could help change the world and possibly meet a guy who shared her values. Thus began Diana's adventures. Her travels as a journalist and diplomat took her down the dangerous roads of Latin American history from the 1960s into the twenty-first century. With excerpts from diaries, letters, and news articles, she weaves together a narrative of war and peace, presidents and peasants, but mostly of ordinary people who teach her about life. She also runs into a few extraordinary people along the way: Fidel Castro, Isabel Peron, Jorge Luis Borges, and Hilary Clinton, among others. *Looking for Love in Strange Places: A Memoir for My Stepdaughters* is a hopeful, humorous account of what happens when you seize the day without too many expectations for the future.

Naturally! Patrick Boudias, Robert Burbau, Kristell Corvellec, 2011 *Libby Langdon's Small Space Solutions* Libby Langdon, 2009-02-14 When someone says they live in a small house or apartment, the image that comes to mind is all too often negative: cramped, cluttered, or confining. But America's leading small space designer, Libby Langdon, knows just how to counter that stereotype. In *Libby Langdon's Small Space Solutions*, she finally offers a practical, user-friendly guide to decorating small spaces so they look stylish, beautiful, and larger than their actual dimensions. Setting out from the premise that it doesn't take lots of money to achieve a warm and inviting atmosphere, she delivers

practicality and inspiration that's affordable. Armed with a bit of basic design knowledge and a few of Libby's tricks of the trade, any small space dweller can learn how to create gracious, inviting small space homes that are also functional to a tee. Each chapter addresses the most common problems encountered in a particular space: living room, dining room, kitchen, bathroom, bedroom, office or hall, and presents solutions and sample layouts, as well as numerous color photos showing transformed spaces before and after that illustrate small space design tips. Libby also spells out the top ten mistakes people make in small spaces and provides step-by-step instructions for painting and hanging art. An invaluable resource for apartment dwellers, first-time homeowners, and anyone looking to downsize, Libby Langdon's *Small Space Solutions* proves that living with less doesn't mean living without luxury.
