Love The Sinner:

Love the Sin Janet Jakobsen, Ann Pellegrini, 2004-04-15 In this powerful and timely book Janet R Jakobsen and Ann Pellegrini make a solid case for loving the sinner and the sin Rejecting both religious conservatives arguments for sexual regulation and liberal views that advocate tolerance the authors argue for and realistically envision true sexual and religious freedom in this country With a new preface addressing recent events *Love the Sin* provides activists and others with a strong tool to use in their fight for freedom

The Author of Love Joc Anderson, 2011-07-08 Throughout history God has been depicted variously as a judgmental tyrant a grand conciliator and even as a rather low key comic portrayed by the cigar smoking George Burns in the movie *Oh God* The question thats begging to be answered is Who is God This devotional evolved out of one persons desire to portray God in a truer light In the Book of Job God reprimanded Jobs friends for failing to speak truthfully about Him They misrepresented His character Job on the other hand understood His Maker and was therefore the single voice of truth in an otherwise corrupt world Can you honestly say that you know your Creator Can you speak truthfully about Him This devotional will help you get to know the real God who is neither the judgmental tyrant nor the light weight movie character He is if nothing else a God of love and compassion At the conclusion of your devotionals I have formulated a Love Quotient L Q test to measure the depth of your love The questions are designed to be thought provoking and insightful You may also find them a bit daunting and uncomfortable Answer each question according to your beliefs There are no wrong or right answers It is my hope youll find this little exercise revealing and instructive of how you love The answers and Key is also included Your heart is what youre all about May you understand Gods love for you

Hate the Sin Love the Sinner Osbertine Pierre, 2023-12-22 God s Hate for Sin Does Not Affect His Love for Sinners God s Love for Sinners Does Not Affect His Hate for Sin Do not let your sin trick you into thinking that you are condemned before having a meeting with God s love and justice for God s justice is the opposite of men s justice When you plead guilty in front of men you get a sentence however when you plead guilty in front of God He lets you walk free Writing this book just like any other assignments from God has been a challenge for me in many ways From the time this message was placed in my spirit it has searched me convicted me taught me and freed me I hope the Holy Spirit uses it to do the same for you and more This book will teach you how to love yourself and others better It will bring peace knowing that there is hope after messing up It will give you the courage to forgive and love people you may not like This book will teach you how to find freedom over sin and live an abundant life

Snape,1855 **The Homiletic Review** ,1889 The Christian Doctrine of God, One Being Three Persons Thomas F. Torrance,2016-01-28 Written by one of the twentieth century s foremost modern Trinitarian theologians The Christian Doctrine of God remains a classic ground work for scholars and students alike In the book Thomas F Torrance offers a detailed study of the most profound article of the Christian faith the Holy Trinity Torrance adopts a holistic approach when examining the inter relatedness of the three persons Father son and Holy Spirit and their dynamic Communion with the Being and Nature of God Combining immense academic range with his characteristically fresh theological perspectives Torrance builds a significant theological bridge between ancient and modern as well as between the Roman and Protestant theology he engages deeply with the Church Fathers and discusses the ontological nature of God Here Torrance conveys a simple message the doctrine of the Trinity is the doctrine of God This Cornerstones edition includes a new introduction written by Professor Paul D Molnar in which Molnar sets Torrance s classic work in its modern context and considers how it

continues to influence the way we think about the Trinity today **The Christian Doctrine of God** Thomas Forsyth
Torrance, 1996-01-01 The Trinity is grounded upon God's historical self-revelation in Jesus Christ. It is presented in this work as teaching which is implicit in the New Testament revelation and in the worship of the Early Church rather than as a logical derivation from other aspects of Christian doctrine. Adopting an holistic approach Professor Torrance explains the inter-relatedness of the three Persons: Father, Son, the Holy Spirit and their dynamic Communion in the Triune Being and Nature of God. Combining immense academic range with new theological perspectives Professor Torrance expounds in a rigorous way the basic teaching of the ancient Catholic Church and builds a significant bridge between ancient and modern Catholic and Evangelical theology **Christian Treasury**, 1869 **The Sinner's Guide ...
