## Love Wins:

**True Love Wins, Or 'Midst War's Alarms** William G. Kennedy, 1901      **Authentically Emergent** R. Scott Smith, 2018-08-08 Are Brian McLaren Tony Jones Doug Pagitt and Rob Bell yesterday's news as many evangelicals seem to think Truth and the New Kind of Christian 2005 tried to provide a balanced assessment of McLaren's and Jones's views But they seem to be right about much more that is affecting evangelicals than was realized then Also that book misunderstood one of their core claims everything is interpretation Moreover their views have developed over the years e.g. ethically about colonialism its influences and how we should live now They also have advanced several further claims about the gospel and traditional doctrines To what extent should Christians embrace their views Are these the ways to go forward toward a more authentic Christianity one that is morally better and a better fit for our times Like Truth this book gives careful attention to their thought It also offers its own portrait of major shaping influences on Western Americanized Christianity But there remains a root issue that keeps the Western church whether progressive emergents or evangelicals in its Babylonian captivity It is liberation from that root that will lead to an authentically emergent Christianity      **Let Love Win Through YOU** Ed Gross, 2010-02-12 Do you sense that something is missing Could it be just one indispensable thing Here is the simple but profound answer It is the love of Jesus      *The Jesus You Really Didn't Know* Andy Angel, 2019-09-09 The problem with too much Christianity today is that we replace the person of Jesus with a doctrine of grace Living in denial of Jesus teaching on judgment and holiness too many Christians take refuge from the sayings of Jesus in doctrines of forgiveness that they hope will bolster up their sense of self worth before God Andy Angel tackles this dysfunctional spirituality head on opening up the journey of learning and love into which the living Lord Jesus invites us all Unpacking the Gospel of Matthew he encourages us to rediscover the teaching ministry of Jesus in our own lives and in doing so to recover the riches and freshness of the gospel message and to rediscover the depths of love Jesus has for each one of us      **The Evangelical Universalist** Gregory MacDonald, Robin A. Parry, 2012-05-11 Can an orthodox Christian committed to the historic faith of the church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible Gregory MacDonald argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations MacDonald seeks to show that being a committed universalist is consistent with the central teachings of the biblical texts and of historic Christian theology This second edition contains a new preface providing the backstory of the book two extensive new appendices a study guide and a Scripture index      Verses, Voices, & Visions of Vallejo D.L. expose each reader to the beauty of their words      *Selling God* R.O. Abel,2025-09-09 *Selling God* unveils the subtle deceptions behind the unorthodox theology commonly referred to as the prosperity gospel and contrasts those misleading truth claims against the true gospel as delineated in scripture While many in Christianity have identified the pernicious claims of Prosperityism directly associating them with certain televangelists authors and megachurch pastors I am going a step further to suggest the errors that are presented in the prosperity gospel narratives are more widespread and invasive than most believe The prosperity gospel often referred to in this book as Prosperityism has a distinctive allure which is not from the Holy Spirit but pleases the human flesh If the concept is pleasing to man perhaps it can be sold In this book I am making the case that the miracles and blessings of God should not be sold When God's holy blessings are marketed the gospel of Christ is sacrificed on the altar of material gain We all want to be prosperous and throughout scripture we see that prosperity as defined by God is awarded to righteous living Nevertheless this prosperity is characterized by God's holy nature which is in direct contrast to that presented in the health and wealth gospels Prosperityism can be identified by persons or groups that alter either through omitting or reinterpreting scripture verses to present a marketable narrative that attracts and maintains adherents When this happens the gospel and the church suffer the inevitable consequences In the book *Selling God* my interest is preserving the true and undefiled gospel of Christ      **The Gathering Place** Mitch Gray,2018-04-18 One
