Love Your Neighbor To Life:

How to Love Your Neighbor Without Being Weird Amy Lively, 2015-04-28 I want to love my neighbor but I don't know how. Most of us feel guilty about Christ's command to love our neighbor but let's be honest we don't even know most of the people living around us. How can we love people we don't even know? Besides, doesn't it count as loving our neighbor when we send money to missionaries and put out yard signs for our church? Are we supposed to just knock on our neighbors' doors and tell them about Jesus? They'll think I'm weird. How to Love Your Neighbor Without Being Weird helps you overcome fears about getting to know your neighbors and sharing your faith. You'll learn simple practical ways to get to know your neighbors using your God-given personality. As you venture out of the comfort of your living room and into the lives of your neighbors, you'll form authentic friendships, create a safer community, and find fulfillment in obeying Christ's 2nd command. Loving your neighbor isn't a random command; it's God's perfect plan. A very timely book for a very isolated culture, Amy Lively offers practical help and guidance in the neglected practice of hospitality. Dr. Dennis Rainey, president of FamilyLife, says this ministry is changing lives. Amy has followed God's leading into an untapped area of people that need Jesus. What a simple idea of reaching out to your neighborhood, the area that God placed you in for His purposes. Amy's ideas and excellent resources have offered a no-excuse zone for this ministry. The Lord said, "Love me and love your neighbor." He chose Amy to show us the way. Thank you for this amazing resource. Chrissy Dunham, director of women's ministry at Prestonwood Baptist Church, Plano, Texas. Amy knows God has given each of us a corner of the world to share the love of Jesus and the hope found in His Word. Her book equips women spiritually and practically to answer this call and open their hearts and homes to friends and neighbors. Wendy Blight, Proverbs 31 Ministries speaker and author, says Amy's brilliant approach to engaging our neighbors is natural, fun, and life-changing. She provides every single thing you will need, including courage. This book and practice is a must for everyone desiring to honor and obey the Lord. Debbie Stuart, church and leadership development director, Women of Faith, says Amy gives us the keys to really connect with those who live around us, not with an agenda but with a heart toward real relationships. A must read for anyone who believes that love. Thy neighbor really starts at your front door. Kathi Lipp, coauthor of *The Cure for the Perfect Life* and author of *The Husband Project*. With hundreds of friends on social media, why are we so lonely? In her amazing book, Amy Lively identifies the heart need for deep connection that's not being met through a screen and offers a simple solution: Actually meet the people who live near you. Amy's openness to share her successes and failures at reaching out will inspire you to try it yourself. Glynnis Whitwer, author of *Everyday Confetti*, executive director of communications, Proverbs 31 Ministries, says Amy shows us step by step how to conquer our fears, connect with our neighbors, and have fun too. Highly recommend. Cindy Bultema, speaker, Bible teacher, and author of *Red Hot Faith*. What does love your neighbor as yourself really mean? In this book, Amy Lively will give you the tips, tools, and techniques you need to love your neighbor in your own unique way. Jennifer Rothschild, author of *Lessons I Learned in the Dark*, founder of Fresh Grounded.

Strommen,2024-07-31 What s the point of it all In the postmodern world the meaning and direction of human existence is increasingly a question mark with few satisfying answers forthcoming People of faith are not immune to such questions as they struggle to meaningfully connect their faith to their daily lives In GPS Finding Direction on Your Faith and Life Journey Strommen makes the case that much of this existential struggle is born of an anthropocentric worldview that has banished God to the margins leaving humans with the futile task of playing God as they attempt to create their own meaning purpose and identity Drawing on core Christian understandings through a Lutheran lens the author asserts that life giving meaning and purpose are gifts given by God alone who frees people from their self justifying ways to take an inventory of their many gifts and participate in a new creation where love of neighbor is the social currency It is the core theme of this book that God is in fact present deeply invested and at work in the everyday world calling everyone daily to partner with God to co create a more trustworthy loving and hopeful world *The Human Odyssey* Duncan S. Ferguson,2025-04-10 These are perilous

times and people need to prepare themselves to navigate these troubled days by staying informed about their challenging environment structuring their lives in a healthy way and striving for a level of maturity that allows them to cope and live in a manner that brings stability and deep peace People can arrive at a place of stability and purpose by engaging in a life that is patterned after the life and teachings of Jesus called by the first generation of Christians the Way of Jesus The central value of this pattern of living is unconditional love a commitment to the truth and a life of integrity and seeking a more just society that leads to a culture of peace and collaboration People need to prepare themselves for this way of life by cultivating a deep spirituality that will empower them to thoughtfully carefully and fully commit themselves to the divine mission of love The Christian Advocate ,1924 New-Church Messenger ,1920 **Washington News Letter** ,1900
