Elias—An Epic of the Ages Orson Ferguson Whitney,2025-09-23 Orson F Whitney s *Elias An Epic of the Ages* stands as Mormonism s most ambitious literary achievement a sweeping poetic retelling of the plan of salvation and the Restoration First published in 1904 and refined in Whitney s 1914 edition the ten canto epic draws upon scripture history and inspired imagination to place the life and mission of Jesus Christ at the center of a cosmic narrative that spans premortality the Savior s mortal ministry the apostasy and the dispensation of the fulness of times In the tradition of Milton s *Paradise Lost* and Dante s *Divine Comedy* Whitney sought to give his faith a literary monument equal to its spiritual grandeur an epic in which doctrine history and prophecy meet in verse This new critical edition edited by Reid L Neilson presents the definitive text of Whitney s 1914 revision alongside rich historical context literary analysis and contemporary responses that situate *Elias* in the cultural and religious landscape of turn of the century Mormonism Both a devotional masterpiece and a literary artifact *Elias An Epic of the Ages* invites modern readers to encounter Whitney s soaring vision anew an epic poem that continues to inspire reflection on faith art and the Restoration s eternal themes The Young Woman's Journal ,1917 **Improvement**
