Love Without Reason Large Print Harlequin:

Love Without Reason Alison Fraser, 2012-07-16 Little Consequences An illegitimate baby was fodder for the local gossips especially when the identity of the baby's father was uncertain But Riona knew that Cameron Adams the wealthy American who owned the farm she managed in Scotland was her son's father He was also the man who'd left her without a word When Cam returned and took one look at the five month old baby in her arms Riona's deepest fear became a reality Cam gave her a choice a marriage of convenience to legitimize their son or a custody battle that Riona knew only Cam could win
