Writing the Modern Family Roberta Garrett, 2021-01-29 Although a large body of work has emerged which addresses neoliberal representations of the family in

other cultural forms such as parenting advice programmes little has been written specifically on the family and contemporary literature This book examines the growing body of autobiographical and fictional writing on family and parenting issues in Anglo American culture from the late 1990s to the present day The book looks closely at six distinct genres which have arisen during this time frame the misery memoir the mum s lit popular novel the maternal confessional dads lit the dysfunctional domestic novel and the family noir Writing the Modern Family will examine the way these burgeoning areas of British and American writing respond to a neoliberal public discourse in which a parenting deficit rather than economic and structural disadvantage is responsible for increasing inequality in child welfare and achievement In evaluating these forms and their relationship to neoliberal culture the book will also consider the complex interrelationship between these genres **Blue**

Dreams Lauren Slater, 2025-05-01 The explosive story of the discovery and development of psychiatric medications as well as the science and the people behind their invention told by a riveting writer and psychologist who shares her own experience with the highs and lows of psychiatric drugs Although one in five Americans now takes at least one psychotropic drug the fact remains that nearly seventy years after doctors first began prescribing them not even their creators understand exactly how or why these drugs work or don t work on what ails our brains Lauren Slater s revelatory account charts psychiatry s journey from its earliest drugs Thorazine and lithium up through Prozac and other major antidepressants of the present Blue Dreams also chronicles experimental treatments involving Ecstasy magic mushrooms the most cutting edge memory drugs placebos and even neural implants In her thorough analysis of each treatment Slater asks three fundamental questions how was the drug born how does it work or fail to work and what does it reveal about the ailments it is meant to treat Fearlessly weaving her own intimate experiences into comprehensive and wide ranging research Slater narrates a personal history of psychiatry itself In the process her powerful and groundbreaking exploration casts modern psychiatry s ubiquitous wonder drugs in a new light revealing their ability to heal us or hurt us and proving an indispensable resource not only for those with a psychotropic prescription but for anyone who hopes to understand the limits of what we know about the human brain and the possibilities for future treatments *Rachel Cusk* Roberta Garrett, Liam Harrison, 2024-07-25 Rachel
