Emperor's oppressive rule His supernatural Great Frost locks villages in ice while his Hell Polder unearths the dead to haunt the living trapping both mortals and spirits in despair Into this bleak world steps a young man from Oakenglen gifted with the rare ability to commune with trees Mocked as the Fool by a cunning Sly King he is tasked with an impossible mission to capture the Elusive Witch in exchange for a hollow promise of a kingdom What begins as a deceptive errand spirals into a journey that shatters the boundaries of reality unveiling a hidden world where elves giants and magical beings emerge into the realm of men As the Fool navigates treachery and enchantment his path challenges the very fabric of existence inviting readers into a richly imagined adventure where dreams defy a darkened world *The Hunger Pastor (German Classics)*

Wilhelm Raabe,2015-01-07 Wilhelm Raabe's novel entitled *Der Hungerpastor* 1864 is a classic example of the so called poetic realism to which many primarily bourgeois German writers were devoted between 1850 and 1890 Wilhelm Raabe 1831 1910 became famous following the publication of his first novel *Die Chronik der Sperlingsgasse* *The Sparrow Lane Chronicle* in 1856 His late works are known for their social criticism while earlier novels such as *The Hunger Pastor* were intended to be primarily educational With the figure of Hans Unwirrsch in *The Hunger Pastor* Raabe completely lives up to his motto Look up to the stars Pay attention to the streets The budding pastor who was born into poverty hungers for knowledge and a respected place in society but he constantly stumbles over obstacles that his own life as well as the lives of his family and friends place before him Raabe's rambling style makes his works difficult reading for many contemporary readers In this version of *The Hunger Pastor* several chapters have therefore been summarized by the translator while the most important ones are published in their original length Despite some anti Semitic elements which were commonly found in the works of some 19th century bourgeois writers in Germany *The Hunger Pastor* is and remains a German literature classic **The**
