Lovely Ladies:

Lovely Ladies, Kind Gentlemen ,1970 Shubert Theatre owned and operated by Jujamcyn Theatres Samuel H Schwartz Herman Levin presents Kenneth Nelson Ron Husmann Bernie West Eleanor Calbes in a new musical comedy Lovely Ladies Kind Gentleman book by John Patrick music and lyrics by Stan Freeman and Franklin Underwood based on Vern J Sneider s book The Teahouse of the August Moon and the play by John Patrick with Remak Ramsay Judy Knaiz Lou Wills scenic production by Oliver Smith costumes designed by Freddy Wittop lighting by Thomas Skelton musical direction choral arrangements by Theodore Saidenberg orchestrations by Philip J Lang dance arrangements by Al Mello dances musical numbers staged by Marc Breau directed by Lawrence Kasha **The Lovely Lady** Mary Hunter Austin,2020-09-28 The horses creaked forward in the harness the dust puffed up from under the wheels and drowned the smell of the wilding rose it fell thick on the petals and a little on Peter s spirit too as he followed Ellen back to the house though it never occurred to him to think any more of it than that he had been working too long in the hot sun and was very tired It did not however prevent his eating his share of the picnic dainties as he sat with his mother and Ellen on the veranda Then as the soft flitter of the bats wings began in the dusk he kissed them both and went early up to bed Peter s room was close under the roof and that was close under the elm boughs all hours he could hear them finger it with soft rustling touches The bed was pulled to the window that gave upon the downslope of the hill at the foot of it one saw the white bloom faces of the alders lift and bow above the folded leaves and the rising of the river damp across the pastures All the light reflected from the sky above Bloombury wood was no more than enough to make a glimmer on the glass of a picture that hung at the foot of Peter s bed It served to show the gilt of the narrow frame and the soft black of the print upon which Peter had looked so many times that he thought now he was still seeing it as he lay staring in the dusk a picture of a young man in bright armour with loosened hair riding down a particularly lumpy and swollen dragon Flames came out of the creature s mouth in the immemorial fashion of dragons but the young man was not hurt by them He sat there lightly his horse curvetting his lance thrust down the dragon s throat and coming out of the back of his head doing a great deed easily the way people like to think of great things being done It was a very narrow picture so narrow that you might think that it had something to do with the dragon s doubling on himself and the charger s forefeet being up in the air to keep within the limits of the frame and the exclusion from it of the Princess whom as his father had told him the story the young knight George had rescued from those devouring jaws It came out now quite clearly that she must have had cheeks as red as June apples and eyes like the pools of spring rain in Bloombury wood and her not being there in the picture was only a greater security for her awaiting him at this moment in the House with the Shining Walls *A Lovely Lady* Samuel Say,2013-06-12 The truth is I love helping people to have a good time I love my beautiful country and the truth is I love my job However I carry some sadness with me every time someone leaves they take a part of me with them and I cant go So I began noticing things little emptinesses At first I thought I was just

kidding myself and then over and over again they would be confirmed I started to see how sad people were when they left I saw with everything they had there was always something missing Many times on the trip they would be able to forget about those things but when they were leaving they would show up in their face Sometimes they would tell me confide in me I could tell the ones who wanted attention from the ones who had a genuine ache somewhere I didnt like you when I first met you Would you like to know when I started to like you When someone speaks honestly I listen with interest I started to like you when I realized you knew how in love I am with my husband There was a real understanding and respect there
