Seasons of Love Jack Mooney,2021-10-20 Seasons of Love is a collection of poems centered around love God and pain that is associated with being in love All of the poems are written in the early morning hours before work under candlelight my favorite part of the day There is one central theme or element within the poems that you will identify with which is the moon I believe that when you are in love the moon changes It becomes the one that you are in love with It is something that you can both share while holding hands on a park bench or five hundred miles apart You are never alone at this time because she is always there ever present for you to see From distant doors you can both share the moon as if she is standing next to you whispering in your ear Love is about two inseparable hearts it is about her being the only one in a crowded room and the feeling you are overcome with when she touches your hand The poems are written in the first person to pull you in and bring these elements to life Cover to cover I want the reader to see love from a new perspective where God is always present and love is unabridged So when completed grab her hand and look at the moon and make it

yours make it personal The moon will change and your love will grow deeper and God ever present Love becomes more than just a word used to express our feelings It becomes an emotion that will overwhelm you when you touch her stare at the moon look into her eyes and watch her sleep      **Three Nights with the Princess** Betina Krahn,2018-09-25 From New York Times bestselling author Betina Krahn comes a tale of passion adventure and a most regal romance Fiercely independent and wholly devoted to her subjects Crown Princess Thera of Mercia must marry before she can become Queen But the beauty's reluctance to choose a husband has plunged her into peril far from home and into the arms of a handsome rescuer Powerful hot blooded mercenary Saxxe Rouen has better things to do than fight a crowd of drunken brutes After all there is little profit in saving a demoiselle in distress or is there His valor should be repaid if not in silver then in another kind of reward Lovely fiery Thera will spend one night in his bed Once safe Thera didn't expect to face yet another danger her attraction to the beguilingly charming warrior But as a battle of wits ensues one night may lead to three And a proud princess may discover the pleasure of surrendering her heart while Saxxe may find the kingdom and the love he was truly meant to win Previously titled *The Princess and the Barbarian* Praise for Betina Krahn's previous novels Daisy's free spirit is contagious Krahn returns to historical romance with a barn burner of a love story Kirkus Reviews Krahn has a delightful smart touch Publishers Weekly Smart romantic sure to delight readers Milwaukee Journal Sentinel Betina Krahn is a treasure BookPage
