anthology of love poems entitled MY LOVE containing both Verse and Prose poems In this book the readers and the poetry lovers will definitely be deeply moved by the magical and ecstatic feelings of the poet's heart All the poems represent the common human feelings especially the feelings of the human heart instead of mind Passions emotions desires affections ambivalence of love and longings are the key words exemplifying every line of the book The verse lines will definitely transcend the readers' minds from this mundane world of reality to the world of transcendence     *The Kingdom of Love* Blanche Carrier, 1927     **Love's Pure Flame** Thea Girard Marshall, 2010-10-21 Lady Azalais daughter of a dead traitor whose lands are forfeit whose mother is forced by King Henry II to wed the victorious and vicious Sir Hugo du Champ is sent in disguise along with three falcons first to her cousin in Parthenay then to the court of Queen Eleanor in Poitiers The man chosen by her mother to take the falcons and Azalais is the troubadour Sir Gervais du Quercy notorious throughout the Limousin one of the many landless younger sons of the Occitan who must live by his skills with sword and song Azalais is irresistibly attracted to him and he too finds himself falling in love but with Azalais's beautiful cousin Argentine Wound together first at the court at Poitiers in a life of love intrigue and tournaments of arms and poetry entangled by desire then separated by a war of rebellion can true love triumph or will all be destroyed in Love's Pure Flame     **Dreams of Love** Ivan Raykoff, 2014 Dreams of Love pursues a wide ranging interdisciplinary approach to understanding the concert pianist as a Romantic and seductive even erotic figure in the popular imagination focusing on the role of technology in perpetuating this mythology over the past two centuries through the touch sights and sounds of the pianist's playing     **Heavenly Love?** Gabriele Griffin, 1993     Passionate Impressions in Love's Reflection Cherie Leigh, 2020-12-07 It becomes obvious to anyone who gets to know me that I am a hopeless romantic I am not sure what instigated my sentimentality over love and romance but I have an affinity for all things that exhibit the beautiful qualities of passion The incredible holding power of love should not be taken for granted even as it can either profoundly entice or greatly elude The full effects of love's intensity move me with deep appreciation Some may say that I live in a fantasy world with my notions about romantic love but I don't let that bother me I just hop on my magical unicorn and ride off into the sunset I use my poetry to express intensity of emotions whether it be to entice delight mystify enlighten ache or touch Sometimes even through love's painful experiences there can be profound beauty taken from it that leaves lasting impressions For love in all its reflections has much to teach us about its purpose as the most powerful force in existence Since the beginning of time as we know it it has lived and breathed its testimony serving to inspire This collection of poetry came together for publication from encouragement from friends and fellow peer poets who believe in me I have always enjoyed writing but the past few years have been pivotal times of creativity I have changed from a woman seeking deliverance from pain to a woman experiencing inexplicable passion The obsession of love has become an innate part of my personality that needs to express itself in words I guess you could say I am smitten about anything written about love My hope is for the readers of my poetry to experience an emotional connection or perhaps

find release through my various themes of love Some of my love poems take on a tone of spirituality while others embrace aspects of sensuality But all show phases and faces of love in need of expression For as mysterious as love can be it always makes its presence known in one form or another with unmistakable impact Welcome to my world of Passionate Impressions in Love's Reflection     It's the End of the World, My Love Alla Gorbunova,2023-02-07 Otherworldly forces dark phantasmagoria the horrors of underground life adolescence and rebellion myth and fairy tale all swirl in Alla Gorbunova's audacious and spectacular novel Children students beggars young poets Alla Gorbunova's heroes and heroines live their lives intensely experiencing the longing joy anticipation and heartbreak of youth in 1990s Saint Petersburg But Gorbunova's interconnected episodes don't limit themselves to the realm of the everyday as they move from harsh material realities to delirious dark fantasies Characters escape decline self destruct and transform In vivid prose she conjures a fragile and haunted society and renders it with frank and uncompromising tenderness A stunning work of fiction It's the End of the World My Love is a compassionate terrifying and rewarding book from an undeniable literary voice     *Love's High Way* Mrs. Waldo Richards,1927     **Love's Pagan Heart** Patricia Matthews,P Matthews,1990-02 A beautiful half English half Hawaiian princess Lilah's sultry body and innocent face captivated all who saw her And as her primitive world resisted the onslaught of foreign invaders and death and treachery dashed her every dream only David Trevelyan could restore her dream of love

one of his own choosing So he walked out of that life and discovered the one that took him around the world Since then Leon has driven a broken down English taxicab across America offering people free rides ridden a vintage motorbike around the world relying solely on the kindness of strangers and followed a fellow traveler through India without ever knowing where he was going He has visited more than 90 countries on every continent Along the way he learned something about the human spirit and about the heart of this world He learned that he needed to shed his old ideas about who he was supposed to be in order to feel his soul rise to the surface and become the person he always longed to be The wisest words he heard and the greatest lessons he learned came from everyday people he met on his travels He became their accidental student and after years of sharing those lessons through TV shows college tours books and in the media he realized that he had also become an accidental teacher His experiences are more than a collection of stories they have become a way of life the Way of the Traveler So what is the Way of the Traveler It s a roadmap to living your best life loving with all your heart and exploring the world both the great and adventurous one waiting outside your door and the even greater more adventurous one waiting within your soul Weaving together Leon s hilarious and heartwarming stories of his misadventures on the road with simple but profound exercises to help you uncover your true path Live Love Explore will teach you how to live fully and without regrets It s not to say that everyone who reads it will have to go to the ends of the world Because you don t have to go to Mongolia to discover the truths that lie inside No those life lessons can just as easily be learned from the people all around you the chap serving you coffee at Starbucks the woman sitting next to you on a plane your co workers family and friends There s an entire world of people willing to teach you their lessons if you re willing to learn And by opening yourself up to new adventures by recognizing that you have the freedom to choose your own road you ll find something else that has been hiding in plain sight you ll find the life of which you have always dreamed and the curiosity and courage it takes to make that life happen
