**Geoffrey Rowell, Kenneth Stevenson  
and Rowan Williams**

Preface by Rowan Williams,  
Archbishop of Canterbury

# Loves Redeeming Work The Anglican Quest For Holiness

**Guy Collins**

## **Loves Redeeming Work The Anglican Quest For Holiness:**

*Love's Redeeming Work* Geoffrey Rowell, Kenneth Stevenson, Rowan Williams, 2003-10-23 There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church For many readers much of this material remains unfamiliar and is often difficult to access *Love's Redeeming Work* draws together the works of major writers from the sixteenth century to the present day who have contributed to this development Each selected writer is introduced with a brief biography which gives background information about the author and highlights the relationships that existed with others from the same period This will enable the reader to set the writings in their proper context enhancing understanding of the material The selections then follow In some instances these may be familiar but other examples will introduce fresh ideas for every reader Each writer's selection is concluded with a list of source texts which can encourage readers to explore in more depth those areas which intrigue and excite them *Love's Redeeming Work* traces a path that has enabled Anglicanism in particular and the wider church as well to develop an ever deepening awareness of the need for a spiritual depth in the Christian life informed by a better knowledge of tradition In exploring this material it is the compilers hope that readers will find new riches that will encourage and sustain their own quest for holiness

**Love's Redeeming Work** Geoffrey Rowell, Kenneth Stevenson, Rowan Williams, 2003 This major new anthology of Anglican spiritual writings was compiled by a trio of the Church's most widely respected scholars The selections demonstrate by example the Anglican tenet that different strands of spirituality can be held together in a creative tension that enhances the overall strength of the church Their variety reflects the worldwide nature of the Anglican communion and includes men and women authors from such places as the United Kingdom the United States India Australia Sri Lanka and Tanzania This volume is a shining witness to the impact that Anglican spirituality has had on Christianity throughout the world Featuring a broad spectrum of literary genres letters devotional essays poetry reflections on the Scriptures etc it will make a superb reference work

**Love's Redeeming Work: The Anglican Quest for Holiness** Geoffrey Rowell, Kenneth Stevenson, Rowan Williams, 2003-10-23

There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church For many readers much of this material remains unfamiliar and is often difficult to access *Love's Redeeming Work* draws together the works of major writers from the sixteenth century to the present day who have contributed to this development Each selected writer is introduced with a brief biography which gives background information about the author and highlights the relationships that existed with others from the same period This will enable the reader to set the writings in their proper context enhancing understanding of the material The selections then follow In some instances these may be familiar but other examples will introduce fresh ideas for every reader Each writer's selection is concluded with a list of source texts which can encourage readers to explore in more depth those areas which intrigue and excite them *Love's Redeeming Work* traces a path that has enabled Anglicanism in particular and the wider church as well to

develop an ever deepening awareness of the need for a spiritual depth in the Christian life informed by a better knowledge of tradition In exploring this material it is the compilers hope that readers will find new riches that will encourage and sustain their own quest for holiness      Anglican Theology Mark Chapman,2012-02-02 This book seeks to explain the ways in which Anglicans have sought to practise theology in their various contexts It is a clear insightful and reliable guide which avoids technical jargon and roots its discussions in concrete examples The book is primarily a work of historical theology which engages deeply with key texts and writers from across the tradition e g Cranmer Jewel Hooker Taylor Butler Simeon Pusey Huntington Temple Ramsey and many others As well as being suitable for seminary courses it will be of particular interest to study groups in parishes and churches as well as to individuals who seek to gain a deeper insight into the traditions of Anglicanism While it adopts a broad and unpartisan approach it will also be provocative and lively      **SCM Studyguide**

**Anglicanism** Stephen Spencer,2013-01-07 The SCM Studyguide Anglicanism offers a comprehensive introduction to the many different facets of Anglicanism Aimed at students preparing for ministry it presumes no prior knowledge of the subject and offers helpful overviews of Anglican history liturgy theology Canon Law mission and global Anglicanism More and more ordinands come from contexts in which they are no longer familiar with their own denominational identity The book fills a definite gap in the market and can be used as a textbook for a 10 week module on Anglican denominational identity The author is an experienced theological educator who has road tested the material with students in residential and non residential settings The book can also be used in courses on church history spirituality ecclesiology mission and doctrine

**Twentieth Century Anglican Theologians** Stephen Burns,Bryan Cones,James Tengatenga,2020-11-24 A scholarly volume that reflects the rich diversity of Anglican theology With contributions from an international panel of writers Twentieth Century Anglican Theologians offers a wide ranging view that presents a survey of over twenty diverse Anglican thinkers The book explores well known figures including William Temple Austin Farrer Donald MacKinnon and John A T Robinson These theologians are set in a wider context alongside others from India China Australia Ghana and elsewhere Notably the subjects include a number of women from Evelyn Underhill the first woman to teach the clergy of the Church of England to Esther Mombo a major contemporary Anglican figure from Kenya The book reflects the rich diversity of Anglicanism suggesting the ongoing vitality of this religious tradition This important book Contains information on a number of prominent women Anglican thinkers Includes contributions from experts from around the world Presents material on both familiar figures and others that are unjustly little known Written for students and teachers of Anglicanism Anglican clergy and ecumenical colleagues Twentieth Century Anglican Theologians is the first book to reflect the diversity of the Anglican tradition by considering its global theological representatives      **Holy Trinity: Holy People** Thomas A. Noble,2013-02-19 Teaching on the sanctification of Christians using the difficult word perfection has been part of Christian spirituality through the centuries The Fathers spoke of it and Augustine particularly contributed his penetrating analysis of human motivation in

terms of love Medieval theologians such as Bernard and Thomas Aquinas developed the tradition and wrote of levels or degrees of perfection in love However the doctrine has not fared so well among Protestants John Wesley was the one major Protestant leader who tried to blend this ancient tradition of Christian perfection with the Reformation proclamation of justification by grace through faith This book seeks to develop Wesley s synthesis of patristic and Reformation theology in order to consider how Christian perfection can be expressed in a more nuanced way in today s culture Noble examines what basis may be found for Wesley s understanding of sanctification in the central doctrines of the church particularly the atonement the doctrine of Christ and the most comprehensive of all Christian doctrines the doctrine of the Holy Trinity What he sets out is a fully trinitarian theology of holiness *Working with Words* Stanley Hauerwas,2011-02-16 The crucial challenge for theology is that when it is read the reader thinks This is true Recognizing claims that are true enables readers to identify an honest expression of life s complexities The trick is to show that theological claims the words that must be used to speak of God are necessary if the theologian is to speak honestly of the complexities of life The worst betrayal of the task of theology comes when the theologian fears that the words he or she must use are not necessary This new collection of essays lectures and sermons by Stanley Hauerwas is focused on the central challenge risk and difficulty of this necessity working with words about God The task of theology is to help us do things with words God is not a word peculiar to theology but if God is a word to be properly used by Christians the word must be disciplined by Christian practice It should therefore not be surprising that like any word we must learn how to say God *My Church Is Not Dying* Greg Garrett,2015-03-01 The old way of being church is being replaced by something new and beautiful for those with the eyes ears heart and soul to experience it Prolific author Greg Garrett reminds Episcopalians of the many gifts that our tradition can offer a doubting and hurting world He reveals a church that values intellect beauty diversity and community and promotes thoughtful engagement with questions of faith ethics and community This church espouses a generous orthodoxy welcoming left and right mystic and doubter It values education social justice and engagement with literature and culture And in opposition to the radical individualism espoused by most of American Protestantism it offers the unique gift of a tradition shaped by English culture that believes the individual is a part of her or his community not in opposition to it *The Goldilocks God* Guy Collins,2022-08-22 *The Goldilocks God* Searching for the via media explores the fertile middle ground between toxic Christianity and militant atheism Can Christianity be intellectually credible Why do our past failures and breakages offer comfort and hope How does the via media of Anglicanism offer tactics for dealing with contemporary challenges and uncertainties Whether exploring mystic Hildegard von Bingen strategic thinker Queen Elizabeth or theologians Jean Luc Marion and Sarah Coakley readers venture into a Trinitarian Goldilocks zone of faith hope and love Guy Collins makes a creative and heartfelt case for a spiritual thermodynamics of trial and error promise and glory Illuminating ancient Christian practice with cutting edge philosophy and theology he reveals the lifelong habits that are just right for encountering the

mystery of God     *Anglican Theology* Stephen Burns, James Tengatenga, 2024-06-30 It is now widely acknowledged that Anglicanism far from being centred on western contexts is a worldwide phenomenon with some of its liveliest corners located in the global south Yet the Anglican theology which is taught in institutions is still focused overwhelmingly on a handful of British and North American voices By exploring the work of eighteen tricontinental and marginalized Anglican theologians this book begins to correct widespread bias in Anglican theology towards Britain and North Atlantic contexts The chapters it gathers consider the methods concerns and contributions to Anglican thinkers from Africa Asia Pasifika South America and eastern European settings amongst minoritized migrants to North Atlantic countries Chapters include Esther Mombo on Jenny Te Paa Daniel Michael Jagessar on Mukti Barton and Keun Joo Christine Pae on Kwok Pui lan     **Heaven in Ordinary** Philip Sheldrake, 2009-07-31 George Herbert 1593 1633 is one of English spirituality s most treasured voices and with his contemporaries Lancelot Andrewes Izaak Walton and Nicholas Ferrar he epitomises the best of the 17th century Anglican tradition learned holy and self effacing Before settling down as a country parish priest a calling that was cut short by his early death aged 39 he was a complex character who led a varied life in politics and academia His inner tensions resulted in memorable writing and a rich spirituality Here Philip Sheldrake explores themes in Herbert s work that stand out as most important his deep biblical and liturgical roots his Christ centred spirituality his emphasis on the importance of the everyday his strong sense of place his understanding of discipleship his approach to prayer and his spirituality of service Richly illustrated with excerpts from his poetry prose and letters this volume offers a comprehensive study guide to one of the most loved poetic voices     *With All the Fullness of God* Jared Ortiz, 2021-01-12 Christians confess that Christ came to save us from sin and death But what did he save us for One beautiful and compelling answer to this question is that God saved us for union with him so that we might become partakers of the divine nature 1 Pet 2 4 what the Christian tradition has called deification This term refers to a particular vision of salvation which claims that God wants to share his own divine life with us uniting us to himself and transforming us into his likeness While often thought to be either a heretical notion or the provenance of Eastern Orthodoxy this book shows that deification is an integral part of Catholicism Orthodoxy and many Protestant denominations Drawing on the resources of their own Christian heritages eleven scholars share the riches of their respective traditions on the doctrine of deification In this book scholars and pastor scholars from diverse Christian expressions write for both a scholarly and lay audience about what God created us to be adopted children of God who are called even now to be filled with all the fullness of God Eph 3 19     **Saving Words** Joseph S. Pagano, Amy E. Richter, 2021-12-16 What words from our Christian vocabulary would you miss if you could no longer use them If you pronounced them and no one understood If you spoke and people gave them a meaning at odds with your conviction What words do you fear are falling into misuse If you could save some word or phrase from disuse or misuse what would it be *Saving Words* is a collection of personal provocative essays by lay people clergy poets theologians musicians and scholars on

words they want to preserve and proclaim urgent and important reflections on the language we need for the facing of these days Open this volume and find saving words that matter

**Explorations in Twentieth-century Theology and Philosophy** Ann Loades,2023-04-11 Ann Loades has been instrumental in bringing forward for the attention of readers in later generations voices from the past notably highlighting the work of pioneering women such as Evelyn Underhill and Dorothy L Sayers as well as advancing the study of better known Anglican forebears C S Lewis and Austin Farrer always with her own distinctive concerns A key interpreter of the Anglican tradition and with a keen eye to ensure the full recognition of women these studies by Ann Loades are essential reading in Anglican feminist and twentieth century theology

**Encyclopedia of Protestantism** Hans J. Hillerbrand,2004-08-02 For more information including sample entries full contents listing and more visit the Encyclopedia of Protestantism web site Routledge is proud to announce the publication of a new major reference work from world renowned scholar Hans J Hillerbrand The Encyclopedia of Protestantism is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought Featuring entries written by an international team of specialists and scholars the encyclopedia traces the course of Protestantism from its beginnings prior to 1517 when Martin Luther nailed his 95 Theses to the door of Wittenberg Cathedral to the vital and diverse international scene of the present day

**New SCM Dictionary of Christian Spirituality** Philip Sheldrake,2013-05-20 This dictionary attempts to give direct access to the development of Christian Spirituality It is a series of pieces written by experts to provide instant accurate and thought provoking information of high scholarship

**Jesus in History, Thought, and Culture** Leslie Houlden,2003-12-08 This unique multidisciplinary study views Jesus as one of the most central figures in history with a wide ranging impact on society literature art and philosophy Jesus in History Thought and Culture distills 2 000 years of thinking about Jesus into two intriguing volumes In more than 200 A Z entries internationally recognized scholars summarize views of Jesus from the Gospel writers to contemporary theologians Not only does the book explore Christian liturgy and worship including the long lasting 4th and 5th century schisms over whether Jesus is human or divine but it examines the position of Jesus in the traditions of other world religions such as Judaism Islam and Hinduism Even outside religion little has been untouched by Jesus s influence Jesus affected social and political theory in his time and continues to do so today The encyclopedia also explores his changing image in art sculpture music and literature pulling disparate fields of study into one powerful resource Scholars students of theology and world religions and other interested readers will all welcome this unique resource

*The Holy Spirit and Christian Formation* Diane J. Chandler,2016-12-05 This volume discusses the importance of a multidimensional and multidisciplinary approach to Christian formation based upon godly love and the imago Dei Latin image of God Grounded biblically and theologically this interdisciplinary collection offers perspectives drawn from spirituality ethics philosophy psychology counselling ecclesiology physical health sciences and leadership studies Contributors address spiritual emotional and psychological formation while

highlighting how suffering has the potential to draw one closer to God and others The book also details vocational development appropriate stewardship of the physical body and the ways in which the Eucharist sacramentally contributes to the process of formation The book concludes with a call for further exploration of additional research trajectories not the least of which is how Christian formation contributes to the missio Dei the mission of God

**Protestant Spiritual Traditions, Volume One** Frank C. Senn, 2020-11-02 There is no single Protestant spirituality but rather Protestant spiritual traditions usually embedded in denominational families that share some basic Protestant principles These two volumes of Protestant Spiritual Traditions offer essays on twelve traditions written by scholars within those traditions plus a concluding essay that gathers a number of Protestant contributions to Christian spirituality and Western culture under the category of the body These thirteen essays discuss the contributions of significant spiritual figures from Martin Luther to Martin Luther King Jr and offer insights on a range of topics from the theology of the cross to physical fitness
