Finding Truth in Life and Love: One Man's Journey George Kyriacou,2022-04-26 Finding Truth in Life and Love One Man's Journey Wow what a title but I hear you say the great thinkers of our time can explain Love Life and the Universe so why have you bothered writing a book Stephen Hawking says the universe can and will create itself from nothing Richard Dawkins explanation of life is We are survival machines robot vehicles blindly programmed to preserve the selfish molecules known as genes And as for love science has proven that love is just a bunch of chemical reactions So what can I offer on the subject at hand All these intelligent people indeed have more to say on the subject with all their knowledge gained through degrees and doctorates What can I add to the subject with my most prized qualification being my 100 yards swimming certificate from primary school Well indeed I do not have a lot of knowledge but I do consider that life has taught me to be wise You may ask what the difference is between knowledge and wisdom Well knowledge is knowing that a tomato is a fruit wisdom is not putting tomatoes in your fruit salad Reading some of the explanations by the world's greatest minds like Stephen Hawking when he says the universe will create itself from nothing I get the uneasy feeling that someone is messing with the fruit salad This uneasiness and my stubborn enquiring nature have set me on a half century discovery for truth The earth is travelling at 67 000 miles per hour through space Is someone driving What about all the religions of the world Are some or all of them true What is the truth in any case Does the truth matter Why don't we abandon the truth and all invent our reality to suit our lives

What happens to love when life ends Is death so humble and silent the very end of love too Wherever life goes death follows Sometimes it s literal but sometimes it s just a figure of speech Grief change loss and fear all different faces of death can also be a consequence of love An expression of it If you have been in love even unrequited if you have lost someone dear to you if you had to leave your home for a better future if you believe there is something else after the last breath then you know some answers These stories where reality and fiction collide want to prove that love and death travel together more often than we know *Jean-Christophe--Journey's End: Love and Friendship, The Burning Bush, The New Dawn* Romain Rolland,1915 Love Is a Journey Deslee Campbell,2016-11-30 Love Is a Journey formerly Loves Quest is a sequel to the Australian rural novel Kaleidoscope of Life by Deslee Campbell Many of the same well loved characters met in the prequel reappear although here the central character is twenty two year old Karen Evans not the child Sally Evans This historical novel begins at the very end of 1945 World War II has concluded and Karen has to find new employment being demobilized from the Australian Womens Land Army after Christmas Karen started nursing training at Dubbo Base Hospital and immediately met Father Simon Anderson who was attracted to her romantically Karens cousins army buddy Peter Dillon was similarly interested Karen persisted in her intention to qualify as a nursing sister and avoided making any commitment to either man but she became engaged to Simon Anderson in December 1947 on the eve of his departure for the Solomon Islands the place of his childhood With her precious wedding gown in her hand luggage Karen arrived at the Solomon Islands early in 1949 and continued loves journey with its many tribulations and dangers Note that all Australian characters are fictional as are those on Norfolk Island Some missionaries and clergy in Papua New Guinea and the Solomon Islands were historical characters but all dialogues and events are fictionalized while set within the accurate historical background **The haven of rest, and the voyage to it: an allegorical narrative [by J.
