**Wanted: Black Woman Living Free.  
She carries no shackles on her wrists.  
She cares not what people think.  
She speaks her mind through fiery lips.  
She can be seen walking with pride,  
Loving herself and refusing to hide  
Behind standards that aren't on her side.  
She sees all things through jeweled eyes.  
A great bounty sits on her head,  
For she is a creature who carries great wealth.  
She is a queen that will know no chain,  
A force of nature that will never be tamed.**

**The Cambridge Companion to African American Women's Literature** Angelyn Mitchell, Danille K.

Taylor, 2009-04-30 The Cambridge Companion to African American Women's Literature covers a period dating back to the eighteenth century. These specially commissioned essays highlight the artistry, complexity, and diversity of a literary tradition that ranges from Lucy Terry to Toni Morrison. A wide range of topics are addressed from the Harlem Renaissance to the Black Arts Movement and from the performing arts to popular fiction. Together, the essays provide an invaluable guide to a rich, complex tradition of women writers in conversation with each other as they critique American society and influence American letters. Accessible and vibrant with the needs of undergraduate students in mind, this Companion will be of great interest to anybody who wishes to gain a deeper understanding of this important and vital area of American literature.

Haralson, 2014-01-21 The Encyclopedia of American Poetry: The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems, along with many articles devoted to topics, schools, or periods of American verse in the century. Entries fall into three main categories: poet entries, which provide biographical and cultural contexts for the author's career; entries on individual works, which offer closer explication of the most resonant poems in the 20th-century canon; and topical entries, which offer analyses of a given period of literary production, school, thematically constructed category, or other verse tradition that historically has been in dialogue with the poetry of the United States.

Sanchez's haiku, as an integral and prominent part of contemporary African American poetry, have expressed not only her ideas of nature, beauty, and harmony but also her aesthetic experience of music, culture, and love. Aesthetically, this experience reflects a poetic mind which has helped the poet to shape or reimagine her poetic spirit.
