Transformed Thinking Edward M. Curtis, John J. Brugaletta, 1996 **Loving God with All Your Mind** Gene Edward Veith Jr., 2003-10-07 Our world is alive with fascinating new ideas discoveries and technologies But for Christians this can also present problems especially when the values of postmodernism and secular university life conflict with basic Christian principles What should Christians do when their beliefs come under attack in the classroom or the public square *Loving God with All Your Mind* shows us that the answer is neither wholesale rejection of intellectual life and culture nor blind acceptance of it The answer lies in understanding that Jesus is Lord of all of life and that everything in life must be carefully viewed in the light of what Christ's lordship means Gene Edward Veith unfolds a dazzling critique of the postmodern intellectual world and culture He affirms the part that is good and true but he also shows crucial weaknesses that have such a hold over contemporary thought This book shows Christians how to survive and flourish in a postmodern world while affirming the truth of the Christian faith

Noebel, Chuck Edwards, 2002-09 This 12 week curriculum interactive study takes students on a journey into the world of ideas that are shaping our culture while teaching them biblical responses *Four Essential Loves* William R. McAlpine, 2013-05-22 How does one determine the readiness of any candidate for leadership in ministry Whether considering vocational ministry leadership or a position on a local board of elders or deacons without question knowledge and skills are essential But an individual's readiness for leadership and ministry cannot be assessed solely on the basis of academic transcripts or impressive statistics found in a pastor or lay leader's annual report While embracing knowledge and skill as essential to effective leadership and ministry the author demonstrates how these dimensions are inadequate unless rooted in that which is less quantifiable namely heart readiness But what does heart readiness entail or look like in the life of a leader in ministry In a word that is grossly overused and profoundly misunderstood love and more specifically love for the right things in the right way for the right reasons This book is intended for those being trained in the bible college or seminary classroom but also for lay leaders already engaged in virtually any ministry context as well Readers are encouraged to consider and cultivate four essential loves love for God's Word for Christ's church for one's neighbor and for oneself **Primal** Mark Batterson, 2010-11-02 Our generation needs a reformation But a single person won't lead it A single event won't define it Our reformation will be a movement of reformers living creatively compassionately courageously for the cause of Christ This reformation will not be born of a new discovery It will be the rediscovery of something old something ancient Something primal Mark Batterson *Primal* What would your Christianity look like if it was stripped down to the simplest rawest purest faith possible You would have more not less You would have the beginning of a new reformation in your generation your church your own soul You would have primal Christianity This book is an invitation to become part of a reformation movement It is an invitation to rediscover the compassion wonder curiosity and energy that turned the world upside down two thousand years ago It is an invitation to be astonished again **A Mom After God's Own Heart Devotional** Elizabeth George, 2012-02-01 Drawing from her bestselling books more than 6.5 million copies sold and popular *Woman After God's Own Heart* radio spots and podcasts
