Loving Neighbors Far And Near Us Lutherans Respond To A Hungry World:

Loving Neighbors Far and Near Charles P. Lutz, 1994 Lutherans and the Longest War David E. Settje, 2007-01-01

With its unique theology yet simultaneous representation of the silent majority American Lutheranism provides a compelling case study for U S citizens and their attitudes toward war faith foreign policy religious institutions and communism from 1964 to 1975 This book demonstrates how Lutherans maintained a hostility toward communism the Soviet Union and the People s Republic of China while debating the threat of communist infiltrations into the United States and the Vietnam War all in the context of their denominations periodicals and congregations **Faith and War** David E. Settje, 2011 Throughout American history Christianity has shaped public opinion guided leaders in their decision making and stood at the center of countless issues To gain complete knowledge of an era historians must investigate the religious context of what transpired why it happened and how Yet too little is known about American Christianity s foreign policy opinions during the Cold and Vietnam Wars To gain a deeper understanding of this period 1964-75 David E Settje explores the diversity of American Christian responses to the Cold and Vietnam Wars to determine how Americans engaged in debates about foreign policy based on their theological convictions Settje uncovers how specific Christian theologies and histories influenced American religious responses to international affairs which varied considerably Scrutinizing such sources as the evangelical Christianity Today the mainline Protestant Christian Century a sampling of Catholic periodicals the African Methodist Episcopal Church the Southern Baptist Convention and the United Church of Christ Faith and War explores these entities commingling of religion politics and foreign policy illuminating the roles that Christianity attempted to play in both reflecting and shaping American foreign policy opinions during a decade in which global matters affected Americans daily and profoundly **Religion and Public Life in the Midwest** Philip L. Barlow, Mark Silk, 2004 Not just in the middle geographically the Midwest represents the American average in terms of beliefs attitudes and values The region s religious portrait matches the national religious portrait more closely than any other region But far from making the Midwest dull average means most every religious group and religious issue are represented in this region Unlike other volumes in the series Religion and Public Life in the Midwest includes a chapter devoted to a single city Chicago a chapter on a single Mainline Protestant denomination Lutherans and a chapter on religious variations in urban suburban and rural settings This fourth book in the Religion by Region series does not neglect the pervasive image of the typical Midwesterner but it does let the region s marbled religious diversity come through The Two Cities of God Carl E. Braaten, Robert W. Jenson, 1997 The chapters of this book offer informed perspectives on a theology of the world exploring the question How does should the church relate to the secular world The standard dogma of the 1960s was Let the world set the agenda Such a perspective has often caused the American church merely to reflect rather than to inform and lead the society in which it lives Surely say the authors of this volume it must be the other way around Contributors Robert Benne Robert W Jenson Carl E Braaten Gilbert

Meilaender Christopher R Seitz Anthony Ugolnik George Weigel Robert L Wilken **21st Century Political Science: A Reference Handbook** John T Ishiyama, Marijke Breuning, 2011 Offering full coverage of major subthemes and subfields within political science this reference handbook includes entries on topics from theory and methodology to international relations and institutions **Lutheran Woman Today** ,1999 *Together in Hope* John W. Bachman, 1995 Minutes, ... Biennial Convention of the Lutheran Church in America Lutheran Church in America. Convention, 1987 *Protestantism After 500 Years* Thomas Albert Howard, Mark A. Noll, 2016 As we approach the landmark date of October 31 2017 the quincentennial of the Protestant Reformation countries social movements churches universities seminaries and other institutions shaped by Protestantism are faced with the question of how to commemorate this momentous occasion In this volume experienced scholars come together to answer this question and examine the historical significance of the Reformation *Church Funding Resource Guide* Mary Eileen Paul, Linda Clements, 1993 Religious Funding Resource Guide ,2000 Subject Guide to Books in Print ,1991 **The Forgotten Luther II** Paul A. Wee, Ryan P. Cumming, 2019-04-02 In this critical time in history this volume argues that what is urgently needed is a cogent clear biblically based and theologically grounded rationale for the manner in which the church speaks and acts in the political arena Lured at times into other worldly quietism because of the pressure of historical events or distorted through a rigid understanding of the two kingdoms the church of the Reformation has at times been silent in addressing the political factors that create and contribute to hunger injustice and war This book looks carefully at the public witness of Martin Luther and its meaning for preaching teaching and carrying out public ministry today Luther s conviction was that government is responsible to God for containing evil and maintaining peace and good order and for ensuring that no person is hungry or in want The book asks critical questions When should the church support the state s agenda When should it resist What are the options for critical but constructive cooperation This helpful volume includes essays from leading Lutheran theologians a summary description of what this means for local ministry and a study guide to encourage conversation and action

Books in Print ,1991 **Lutheran Woman's Work** ,1915 **Books in Print Supplement** ,1994 Anglican and Episcopal History ,2005 Includes section Book reviews *Hunger Program Records* American Lutheran Church (1961-1987). Office of Church in Society, 1974 Charles P Lutz used this material for his book *Loving Neighbors Far and Near* U S Lutherans Respond to a Hungry World 1994 Correspondence of the Rev John L Halvorson and the Rev George S Johnson is included Correspondence is mainly concerned with the distribution of funds to various organizations including the Lutheran World Federation and Lutheran World Relief *The Lutheran Witness* ,1924
