### **You Will - Memoirs of a Loving Father: While unknowingly embarking on his epic journey towards growth**

Frank J Melero Jr.,2017-11-17 You Will started as a set of memoirs for my two children during a very dark time in my life Yes my story started within my tribe but as time passed I realized that it was for more than just us Sure my book is entrenched in angst painful memories and my wrestling with questions about the great unknown But it s more about the realization that love grace and hope never die ever It s about removing our blinders and choosing to see things for ourselves It s about how we all fall but we can also all get back up This is me finally listening and choosing that I can be a part of helping others do just that even if via my own thorns and scars This story isn t only about telling people my story It s an open invitation It s me inviting them to share their story with the world too You re not alone not even close We are all called for greatness This is my attempt to shine a light on the fact that we re not done yet We can all grow We just got started Feel free to sing along *In*
