Cries from the

Wilderness David Pocka,2023-12-06 One of the most prevalent challenges in contemporary Christianity is navigating the relationship between the individual and their faith community when the Christian enters spiritually challenging times periods of aridity misunderstanding suffering or darkness This problem is amplified because of the growing angst that many feel with organized religion When loyalty to the church gets tested during a personal faith crisis or honest intellectual query many leave disenchanted claiming a desire to be spiritual but not religious **Cries from the Wilderness** Reimagining Church Culture in an Age of Uncertainty explores the memoirs of three contemporary sojourners Rachel Held Evans David Gushee and Macy Halford asking What postures were common in his or her journey that helped them navigate their spiritual wilderness David Pocka then argues that a primary problem is that many faith communities rarely see themselves in the spiritual wilderness The author's contention is that spiritual communities are often ill equipped to nurture the spiritual life of disoriented or questioning Christians By acknowledging their own spiritual journey and drawing lessons from healthy wilderness postures they would be better positioned to transform and mature their community while creating a nurturing environment for individual sojourners

Faith, Hope, and Love in the Kingdom of God Robert Hernan Cubillos,2017-04-27 We live in a world full of challenges The three graces can almost be seen as motors for Christian life in today's world but the words faith hope and love have so many everyday uses that their technical theological meanings are for many difficult to appreciate Modern life also leaves many yearning for authenticity and meaning Many religions have answered that need by calling to mind the image of a path Always profound progressions religious paths tend to be motivated either by practices the act of walking the path or focal points Christianity has a focal point an object and it sees the three graces as distinctively content filled The heart of this book is about helping people find the Christian path and their intellectual emotional and spiritual balance an equilibrium that is sustained by a strong personal faith an enduring hope for the future and genuine love that will withstand the worst of times It contributes to the category of Christian literature that provides a pattern for Christian living without surrendering the intellect to the more popular side of this genre
